*Obsessive-Compulsive Disorder* Bruce M. Hyman, Cherry Pedrick, 2011-01-01 Presents an overview of obsessive compulsive disorder that includes information on the nature symptoms treatment and methods of dealing with the disease  
**Concepts and Controversies in Obsessive-Compulsive Disorder** Jonathan S. Abramowitz, Arthur C. Houts, 2006-11-22 Few syndromes in psychopathology generate as much popular curiosity and clinical exploration as does obsessive compulsive disorder OCD Since the 1970s research on OCD has increased exponentially Specific advances include an improved grasp of the heterogeneity of the disorder identification of putative subtyping schemes and the development of increasingly sophisticated theoretical models of the etiology and maintenance Perhaps most importantly research has led to advances in treatment and where as the first line therapies cognitive behavioral therapy and serotonergic medication are not entirely effective for every sufferer they have transformed OCD from an unmanageable lifetime affliction into a treatable problem that need not reduce quality of life Despite the aforementioned advances there have emerged a number of sharp disagreements concerning OCD Differences have surfaced over phenomenological issues etiological models and approaches to treatment and often occur but not exclusively along disciplinary lines between biologically oriented and cognitive behaviorally oriented authorities For example medical approaches posit that abnormal biological processes cause OCD whereas psychosocial formulations emphasize the role of learning and dysfunctional cognitions Yet because theoretical conjecture and empirical findings from within each tradition are typically addressed toward distinct and narrow audiences clinicians researchers and students with broad interests are hindered from gaining a clear grasp of the diverse and sometimes polarized perspectives

Understanding and Treating Obsessive-Compulsive Disorder Jonathan S. Abramowitz, 2006-04-21 Among the most prevalent and personally devastating psychological disorders the development of a cognitive approach to obsessive compulsive disorder OCD has transformed our understanding and treatment of it In this highly practical and accessible book Jonathan Abramowitz presents a model of OCD grounded in the most up to date research that incorporates both cognitive and behavioral processes He then offers a step by step guide to psychological treatment that integrates psychoeducation

cognitive techniques and behavioral therapy exposure and response prevention Unlike other manuals for the treatment of OCD this book teaches the reader how to tailor the choice of techniques and delivery modes for individuals presenting with a wide range of specific OCD symptoms such as contamination fears and cleaning rituals fears of harm and compulsive checking symmetry and ordering and severe obsessions with mental rituals The techniques are illustrated with numerous case examples clinical forms and handouts are provided for use with patients A final chapter suggests strategies for overcoming common obstacles in treatment

*Obsessive-Compulsive Disorder* Hilary W. Poole, 2018-08-01 Have you ever worried that you've forgotten something important even though you knew everything was really okay Some people can't stop themselves from checking or counting or washing their hands These are symptoms of obsessive compulsive disorder OCD OCD can leave people feeling helpless and out of control The lives of millions of kids are affected by mental illness And yet it's all too common for kids to feel like they are alone with their problems Whether you're seeking information for family friends or yourself these books help explain the challenges faced by people with mental disorders

*Sexual Obsessions in Obsessive-Compulsive Disorder* Monnica T. Williams, Chad T. Wetterneck, 2019-07-09 Many people suffer in secret from unwanted sexual obsessions These people are not perverts or pedophiles but normal individuals with a brain based condition called obsessive compulsive disorder or OCD Most of us have heard of OCD but few realize that OCD can cause people to have terrifying sexual thoughts that just won't go away Many therapists are baffled by these symptoms and may spin their wheels trying to get to the root of problem The good news is that there are effective short term treatments to help sufferers overcome these demons and start feeling better again

**Mastery of Obsessive-Compulsive Disorder** Edna B. Foa, Michael J. Kozak, 2004-11-11 Self monitoring forms to accompany Client Workbook for Mastery of Obsessive Compulsive Disorder ISBN 0 19 518683 4

**Obsessive-Compulsive Disorder** Richard P. Swinson, Martin M. Antony, S. Rachman, Margaret A. Richter, 2001-10-31 Drawing upon extensive interviews and assessments of school age children who have lost a parent to death this book offers a richly textured portrait of the mourning process in children The volume presents major findings from the Harvard Child Bereavement Study and places them in the context of previous research shedding new light on both the wide range of normal variation in children's experiences of grief and the factors that put bereaved children at risk The book also compares parentally bereaved children with those who have suffered loss of a sibling to death or of a parent through divorce exploring similarities and differences in these experiences of loss A concluding section explores the clinical implications of the findings and includes a review of intervention models and activities as well as a screening instrument designed to help identify high risk bereaved children

**Obsessive Compulsive Disorder: pocketbook** Stuart A. Montgomery, Joseph Zohar, 1999-09-03 One of a series designed to provide easily assimilable information on common medical issues The concise texts are enhanced by tables and diagrams summarizing the essential information This volume deals with obsessive compulsive disorder covering epidemiology drug treatment and more

*Obsessive-Compulsive Disorder For Dummies* Charles H. Elliott, Laura L. Smith, 2008-11-24 Arguably one of the most complex emotional disorders Obsessive Compulsive Disorder is surprisingly common Furthermore most people at some time in their lives exhibit a smattering of OCD like symptoms Obsessive Compulsive Disorder For Dummies sorts out the otherwise curious and confusing world of obsessive compulsive disorder Engaging and comprehensive it explains the causes of OCD and describes the rainbow of OCD symptoms The book shows readers whether OCD symptoms represent normal and trivial concerns for example a neat freak or something that should be checked out by a mental health professional for example needing to wash hands so often that they become raw and red In easy to understand steps the authors lay out the latest treatments that have been proven to work for this disorder and provide practical and real tools for living well long term Whether you or someone you care about has this disorder Obsessive Compulsive Disorder For Dummies gives you an empathic understanding of this fascinating yet treatable mental disorder

**Clinical Handbook of Obsessive-Compulsive Disorder and Related Problems** Jonathan S. Abramowitz, Dean McKay, Steven Taylor, 2008 Obsessive compulsive disorder OCD is a complex set of thoughts and behaviors that can vary greatly from person to person and can be related to and complicated by a wide range of other disorders Clinicians are confronted with the challenge of accurately classifying its many variants and developing effective systematic treatments for them Some believe that OCD and related problems should be treated as subtypes of one condition others argue that OCD is composed of a spectrum of many similar conditions that should be treated individually In this handbook Jonathan S Abramowitz Dean McKay and Steven Taylor present an approach to diagnosis and treatment that considers subtype and spectrum concepts They examine specific presentations of OCD the symptoms that are often seen in practice as well as the many disorders that may fall within the OCD spectrum For each symptom and putative spectrum condition they discuss empirical support theories of etiology and treatment issues The volume covers cognitive behavioral and biological factors as well as the latest approaches to psychological and pharmacologic therapy including complicating factors in treatment In concluding chapters the authors critically address the current literature on proposed subtype and spectrum disorders consider the clinical implications of the literature and map out a comprehensive integrated approach for understanding OCD and related conditions The only work on OCD that covers treatment options for specific symptoms and the full spectrum of related disorders this handbook is a must have for clinicians who are dedicated to improving the lives of patients with these challenging mental conditions

**The World of Obsessive-Compulsive Disorder** Dana Fennell, 2022-01-11 This book depicts the lives of people with OCD Based primarily on interviews with those who have the disorder this book follows them from when they first started to believe they had a problem all the way to life after treatment

### **Obsessive Compulsive Disorder Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Obsessive Compulsive Disorder has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Obsessive Compulsive Disorder has opened up a world of possibilities. Downloading Obsessive Compulsive Disorder provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Obsessive Compulsive Disorder has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Obsessive Compulsive Disorder. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Obsessive Compulsive Disorder. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Obsessive Compulsive Disorder, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Obsessive

Compulsive Disorder has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Obsessive Compulsive Disorder Books**

**What is a Obsessive Compulsive Disorder PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Obsessive Compulsive Disorder PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Obsessive Compulsive Disorder PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF.
