October Earthquake Yom Kipper 1973:

October Earthquake Zeev Schiff, 2013-01-23 Originally published in 1974 by University Publishing Projects Ltd

October Earthquake, 2017 October Earthquake presents a chronological account of the days surrounding the Day of Atonement Yom Kippur War along with the significant military and political events of each day of the conflict Zeev Schiff's comments on Israel's exaggerated self-confidence, the hopelessness of Israeli leadership, the intelligence failure, the concept of the Bar Lev Line, the role of the air force and the preparedness of the Arab army are interspersed throughout. Rather than judging and awarding grades to the parties involved in the war, this work bases itself on authentic source materials such as recordings of command discussions during the battles and documents. Many of the details included are not found elsewhere. The author skillfully weaves the recollections and accounts of many participants and commentators into a coherent narrative that brings to life the war's events. Although written largely from the perspective of Israelis, October Earthquake reviews political, diplomatic and military events in Egypt that set the stage for the war. In the postscript, Schiff also explores key lessons for Israel from the Yom Kippur War which ended its sense of invincibility and complacency despite Israel's impressive victories on the battlefield. Winner of the Sokolov Prize, Israel's highest journalism award, this book should be read by all foreign policy specialists, historians and anyone interested in the Middle East. Provided by publisher [Dynamics of the Arab-Israel Conflict](#) Michael Brecher, 2017-01-20 This book comprises findings from the author's wide-ranging research since 1948 on the unresolved Arab-Israeli protracted conflict. Brecher reflects back on his detailed analysis of the UN Commission created in November 1947 and his near seven decades of research and publications on this complex protracted conflict continued since the first of nine Arab-Israeli wars. The book includes an analysis of the crucial early phase of the unresolved struggle for control of Jerusalem in 1948-49 and beyond, based on extensive interviews with Israel's leaders and prominent Egyptian senior officials, journalists and academics. It addresses the many diverse attempts at conflict resolution, including a peace plan to resolve the Arab-Israel conflict of the author's own design. It concludes with historical reflections about Israel's behavior domestically and externally in 1948-1949 and 2008 and beyond. No other book on this protracted conflict contains so many important interviews with the first two generations of Israeli leaders and Egyptian officials and academics, and no other author can speak from such a deep and prolonged engagement. **October Earthquake** Zē'ēv Šīf, 1974 [Historical Dictionary of Israel](#) Bernard Reich, David H. Goldberg, 2008-04-25 Since its creation, the State of Israel has been a magnet for attention. A country beset by conflict in its region and faced with the need to integrate immigrants of disparate backgrounds into a modern and advanced state, Israel has preoccupied observers, scholars and journalists since its independence in 1948. Israel and its politics have been the subject of substantial and often highly partisan literature, being hotly and vigorously debated both at home and abroad. The second edition of the Historical Dictionary of Israel addresses the need in the literature on Israel for a comprehensive, impartial information source about the various diplomatic and political personalities

institutions organizations events concepts and documents that together define the political life of the Jewish state This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on significant persons places events government institutions political parties and battles as well as entries on Israel s economy society and culture Four Arab-Israeli Wars and the Peace Process Sydney D. Bailey,2016-07-27 In focusing on four major wars in the Arab Israeli conflict from 1947 to 1979 all of them ending in agreed ceasefires truces or armistices this book concentrates on the external efforts after each war to help resolve the conflict Israel's Public Diplomacy Jonathan Cummings,2016-07-27 Hasbara explaining the Israeli variant of public diplomacy is the subject of endless domestic debate Israel in the 1960s and 1970s saw many changes in its political and military international stage This was a period of unusually intensive attention to the problems of hasbara beginning with the appointment of Yisrael Galili as minister with responsibility for government communications and ending with the dismantling of the Ministry of Information in 1974 less than a year after it had been created Israel had only been able to muddle through and at the end there was no greater sophistication in Israeli thinking and no stronger administrative structure in spite of many organizational changes Accessible to anyone interested in the history of Israel as well as political history and diplomacy the book serves as a case study of how entrenched political culture can limit policy options and casts light on the emergence of public diplomacy as a feature of foreign policy *Intelligence, Crises and Security* Len Scott,R. Gerald Hughes,2013-09-13 This collection of essays by leading experts seeks to explore what lessons for the exploitation and management of secret intelligence might be drawn from a variety of case studies ranging from the 1920s to the War on Terror Long regarded as the missing dimension of international history and politics public and academic interest in the role of secret intelligence has continued to grow in recent years not least as a result of controversy surrounding the terrorist attacks on the United States on September 11 2001 *Intelligence Crises and Security* addresses a range of themes including crisis management covert diplomacy intelligence tradecraft counterterrorism intelligence overload intelligence in relation to neutral states deception and signals intelligence The work breaks new ground in relation to numerous key international episodes and events not least as a result of fresh disclosures from government archives across the world This book was previously published as a special issue of *Intelligence and National Security* **The International Military Encyclopedia: Arginusae, Battle of; Atonement, War of** Norman Tobias,2004 *A History of Israel* Howard Morley Sachar,1996 A modern classic the most authoritative and readable history of the Jewish state ever published this massively updated volume carries the full story of Israel from its early 19th century ideological beginnings to the most recent peace agreements with Egypt Jordan and the Palestinians 34 maps **Israeli Military History** Jehuda Lothar Wallach,1984 **American Public Opinion Toward Israel and the Arab-Israeli Conflict** Eytan Gilboa,1987 The Secret Wars, a Guide to Sources in English: Intelligence, propaganda and psychological warfare, covert operations, 1945-1980 Myron J.  W. Gawrych,2000 In 1967 the Israeli Defense Forces defeated the combined armies of Egypt Jordan and Syria in a mere six
 days This remarkable military accomplishment would however have the ultimate effect of creating an albatross around the
 neck of the Israeli Army as Israelis would now expect the next conventional war with the Arabs to achieve similar results a
 quick decisive victory with relatively few casualties Although Egyptian forces were militarily inferior to those of Israel
 President Anwar Sadat developed a successful limited war strategy designed to exploit this unrealistic expectation Rather
 than aiming to achieve a military victory or to seize strategic terrain Sadat merely sought to break a diplomatic stalemate
 with a major military operation designed to soften Israeli intransigence toward negotiations and to force a change in U S
 foreign policy toward the Arab Israeli conflict In support of these political aims the Egyptian Armed Forces set out to
 discredit the Israeli Army s prowess by inflicting heavy casualties in a limited war Sadat s success in regaining the entire
 Sinai without another armed struggle holds an important lesson for the United States After its dramatic victory in Desert
 Storm American armed forces feel compelled to win the next conventional war quickly decisively and with relatively few
 casualties much like the challenge that faced Israel after the 1967 war **October earthquake Yom Kippur 1973**

 Bernard Reich,David Howard Goldberg,2000-06-07 Few countries of its size have attracted more attention and aroused more
 controversy than Israel It is a country beset by conflict in its region and faced with the need to integrate immigrants and to
 weld individuals of disparate backgrounds and ethnicity into a modern and advanced state And although small in size and
 population it has played a significant role in international relations This companion book to the Historical Dictionary of Israel
 provides in a single source a comprehensive and up to date reference volume with detailed information about every aspect of
 the political life of contemporary Israel as well as serving as a guide to the complexities and nuances of contemporary Israeli
 politics It fills a gap in the literature by providing comprehensive information about the various diplomatic and political
 personalities institutions organizations events concepts and documents that together define the political life of the Jewish
 state The Political Dictionary of Israel will provide both students and scholars with extensive information and serve as a
 starting point for further research on the topic through its detailed bibliographical references

October Earthquake Yom Kipper 1973 Introduction

In today's digital age, the availability of October Earthquake Yom Kipper 1973 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of October Earthquake Yom Kipper 1973 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of October Earthquake Yom Kipper 1973 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing October Earthquake Yom Kipper 1973 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, October Earthquake Yom Kipper 1973 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing October Earthquake Yom Kipper 1973 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for October Earthquake Yom Kipper 1973 books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, October Earthquake Yom Kipper 1973 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of October Earthquake Yom Kipper 1973 books and manuals for download and embark on your journey of knowledge?
