Can't Forgive Kim Goldman,2015-09-22 Don t tell her she needs to find closure Don t ask her to forgive and forget When Kim Goldman was just 22 her older brother Ron was brutally killed by O J Simpson a horrifying event that led to one of the most public trials in American history Ron and Kim were very close and her devastation was compounded by the shocking not guilty verdict that allowed a smirking Simpson to leave as a free man Not only did Kim have to live with the painful knowledge that her brother s killer walked free but she also struggled to keep her grief private from the media frenzy and outpouring of public opinion Counseled by friends strangers and even Oprah to find closure Kim chose a different route She chose to fight not just for her brother and her family but for others as she found her calling working with victims families in pursuit of justice and peace From her parents devastating divorce and a life changing car accident to living life as one of America s most famous victims and dating as a single mother Can t Forgive tells of an ordinary person thrown into extraordinary circumstances at a very young age who had the courage despite the discouragement of so many to ignore conventional wisdom and never give up her fight for justice

**O. J. Simpson Facts and Fictions** Darnell M. Hunt,1999-04-15 Analyses media coverage of O J Simpson trial and divided reactions of White and African Americans **The Spectacle** Paul Thaler,1997-10-28 In the Year of Simpson the country was caught in the throes of the biggest story ever No other single news event in our history could match the sheer scope and intensity of coverage given to the O J Simpson murder case But the media did not just report the Simpson case they were instrumental in creating it a spectacle of such stupendous proportions that it hijacked American culture In this critical expos D e of American media Thaler presents a riveting narrative about the men and women who gave us the story of the century It is a sprawling tale of the media grappling with their role as news reporting entities seduced by the values of entertainment and tabloidism and faced with increased competition fragmented audiences and frantic pressure to keep both eyes on the bottom line The Simpson story is one of exploitation of media overkill and outright pandering of huge profitmaking all of which undermined the trial and fueled tremendous public cynicism about the way in which justice and the media work in this country For more than a year America was held captive to the great murder story In Thaler s analysis the media more than any other single participant altered the workings of the Simpson courtroom and the outcome of one of the most celebrated trials in America s history From the first coverage of the murders to the final days of the trial of the century the media were not only telling us what had become of justice in this country but also what had become of them This is that story **Raging Heart** Sheila Weller,2016-03-30 Originally published New York Pocket Books 1995

*O.J. Is Innocent and I Can Prove It* William C. Dear,2014-11-11 Nicole Brown Simpson and Ron Goldman were brutally murdered at her home on Bundy Drive in Brentwood California on the night of June 12 1994 The days and weeks that followed were full of spectacle including a much watched car chase and the eventual arrest of O J Simpson for the murders The televised trial that followed was unlike any that the nation had ever seen Long since convinced of O J s guilt the world was shocked when the jury of the trial of the century read the verdict of not guilty To this day the LAPD Los Angeles District Attorney s office mainstream media and much of the world at large remain firmly convinced that O J Simpson got away with murder According

to private investigator William Dear it is precisely this assuredness that has led both the police and public to overlook a far more likely suspect Dear now compiles more than seventeen years of investigation by his team of forensic experts and presents evidence that O J was not the killer In O J Is Innocent and I Can Prove It Dear makes the controversial but compelling case that it may have been the overlooked suspect O J's eldest son Jason who committed the grisly murders Sure to stir the pot and raise some eyebrows this book is a must read *O.
