Or are you drifting through life, being carried here and there by the winds of habit and fashion, tossed by waves of circumstances over which you have no control? A person may have talent, intelligence, and special abilities but still live a life filled with frustration, accomplishing very little of permanent value because they don't understand their purpose and they lack a clear objective in life. Many people have the feeling that there should be more to life than they are experiencing. It doesn't have to be this way. One of the greatest benefits and blessings of the Christian life is that it provides us with a real purpose for living. This purpose is rooted in our faith in Christ. As we come to understand God's will for our lives, we look to Jesus as both our pattern and our inspiration. His supreme
