Denise Levertov,2013-03-30 Over the years Denise Levertov's poetry has moved ever more deeply into the realm of meditation while yet speaking with the familiar voice of the poet in the world Oblique Prayers is arranged in four thematic sections that taken together work toward a mature philosophy in equal harmony with public activism and private reflection A personal mood links the poems of Decipherings In Prisoners the poet addresses the continuing horrors of our dark time genocide imperialism impending nuclear holocaust human degradation in brutal political guise Levertov is an accomplished translator With Fourteen Poems by Jean Joubert she introduces English speaking readers to a contemporary French poet whose work is remarkably akin to her own Of God and of the Gods the final section of the book is informed by a transcendent lyricism that can equate in a breath a day of spring a needle's eye     **The Intellectual repository for the New Church.**

Murphy,Melissa Bradshaw,2019-09-17 That Denise Levertov 1923-97 was one of the most pioneering and skilled poets of her generation is beyond dispute Her masterly use of language innovative experimentations with organic form and the political acuity disclosed by her activist poetry are well marked by critical communities But it is also quite clear that the poems Levertov wrote in the last twenty years of her life with their more explicit focus on theological themes and subjects are among the best poems written on religious experience of any century let alone the twentieth The collection of essays gathered here shed vital light on this neglected aspect of Levertov studies so as to expand and enrich the scope of critical engagement In a mixture of theoretical considerations and close readings these essays provide valuable reflections about the complex relationship between poetry and belief and offer philosophically robust insights into different styles of poetic imagination The abiding hope is to broaden the terrain for discussions in twenty first century theology literary theory poetics and aesthetics honoring immanence exploring transcendence and dwelling with integrity within the spaces between     **A**

Oblique Prayers : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
