this description will close this page in a few seconds Learn a new language in a few months Are you out of your mind they ll say It s just too good to be true And they will go back to their old language learning methods You know which methods toiling away at mind numbing grammar exercises learning words nobody uses and most importantly never actually using your skills to communicate with another person If you re still with me I expect you to be different You think there must be something better After all how could people master more than one foreign language in their lives if it usually takes a regular person several years just to learn the basics The answer is simple in one way or another they follow the methods I share in How to Learn Any Language in a Few Months While Enjoying Yourself They not only learn up to ten times faster than other people they also have a lot of fun while doing it How to Learn Any Language in a Few Months While Enjoying Yourself is for you if you want to learn without this one thing you ll never learn a new language in just a few months Learn what it is and how to apply it to your everyday life to practice your skills while doing your daily activities a completely free way to get native speakers to proofread your writings and even explain to you all of your mistakes This one site alone can dramatically improve your writing skills an extremely easy way to find a native speaker willing to help you learn her mother language It s almost like having a private tutor the proper way to improve your listening skills while watching movies Most people learning a foreign language do it the wrong way and it does nothing to improve their abilities how to achieve more with less when learning languages You don t have to spend hours and hours cramming every single word and grammar rule In fact it works to your detriment Learn what to do instead 9 common mistakes to avoid when learning languages Reading this chapter alone can save you years of ineffective studies especially mistake 3 so common among language learners a 5 step process to improve your reading skills You can make your learning process much more enjoyable and effective by choosing the right things to read Learn what these things are a fun idea to learn how to write the way native speakers do You too can learn the slang and phrases only native speakers use and know the language better than many academic professors how to dramatically improve your language skills when traveling While it isn t necessary to go abroad to learn a language it s a powerful way to cram a lot of learning into just a few days 5 common challenges of language learners and how to deal with them Learn how to get over the fear of communicating with native speakers Discover how to find more time to learn and practice your skills Read three tips on how to deal with discouragement If you re ready to supercharge your progress and become fluent in a foreign language in as little as a few months click the buy button Why kill yourself doing things the old non effective way if you could make the process much easier and enjoy it more too P S As a gift for buying my book you ll get a resource list with my favorite language learning sites Keywords learn a language in 3 months learn a foreign language learn another language learn any language become fluent in any language be fluent in 3 months learning languages learn languages learn languages fast language learning methods learning a new language learning a language learning foreign languages learning another language how to learn a new language how to learn a foreign language **How to Learn a**

**Foreign Language: A Practical Guide with Tips and Resources** Jeff Blum, 2021-09-25 Learning a language can be a daunting process. Should you self study, Take a course, Buy a software program, Hire a private tutor? What kinds of learning systems are available and which might be right for you? How about the myriad online resources available? And very importantly, where should you begin? Oh by the way, how long will all this effort take anyway? You will find the answers to these questions in this short but thorough guide to learning a foreign language. Author Jeff Blum has taught English and studied four languages: Japanese, Spanish, Portuguese and Thai, but he still struggles just as anyone must when learning a language. Jeff did extensive research on all aspects of language learning in an effort to improve his own efforts and he has carefully curated that research into this guide to help you with your efforts as well. In the book you will find:

- 1 A look at the systems and techniques advocated by various language learning experts and sites
- 2 A consideration of personal factors in learning a language: motivation, personality, goals, etc.
- 3 A discussion of the 8 language learning blocks with recommended resources for tackling each
- 4 An overview of the most popular language learning products on the market: Duolingo, Rosetta Stone, Pimsleur, etc.
- 5 A comprehensive set of resources to aid you with whatever approach to study you pursue. Whether you are young or old, beginner or advanced, studying your first foreign language or your fifth, there is something for you in this book. If you are a language teacher, this book might help you better understand what your students are up against while giving you ideas and extra resources to aid your teaching efforts.

**Language Is Music** Susanna Zaraysky, 2009 *Language is Music* focuses on making learning foreign languages fun, easy and affordable for anyone with a desire to communicate effectively with people around the world. By applying over 100 simple tips to things you already do, such as listening to music or surfing the Web, you can experience the joy of fluency in any language without having to study abroad or spend money on private tutors. In *Language is Music*, Susanna Zaraysky masterfully shares her listening methods so that anyone can have fun learning any language. With over 100 tips and 100 free or low cost Internet resources, you will learn how to use daily activities such as watching TV or listening to music, conversation partners and attendance at cultural events to become a masterful speaker of any tongue. Learning foreign languages is like learning to sing a song or play music, says self-made linguist Susanna Zaraysky, and author of *Language is Music*. Zaraysky has what you might call an ear for languages, having used music to successfully learn English, Russian, French, Spanish, Italian, Portuguese and Serbo-Croatian, all with excellent accents. Advance Praise for *Language is Music*: I love it! I think it will help people who want to learn and those who are curious about additional language learning. Many people want to learn a language but are frightened or disappointed by the courses they have taken. Reading *Language is Music* will encourage them to try again on their own and with friendly supporters: Dr. Elba Maldonado Colon, Professor, Department of Elementary Education, Bilingual Program, San Jose State University. LET IT JUST ROLL OFF YOUR TONGUE! With lyrical insight and solid experience, Susanna Zaraysky, author of *Language is Music*, provides easy steps for learning a language. Gone are the boring, disconnected strategies that most of us remember from school. You've never learned

a language this quickly and easily Zaraysky's methods embody fun connection rhythm and above all music Suzanne Lettrick M Ed Educator and Founder of The Global Education and Action Network Forget dictionaries and phrase books Susanna Zaraysky's easy to use guide to language learning is indispensable for any serious language learner wanting to become fluent not just conversationally proficient in another language Language is Music will teach you how to make language acquisition a part of your daily life and to recreate the kind of total immersion environment necessary for fluency Highly recommended reading for aspiring polyglots Pick up this book and you too will be all ears Justin Liang Japanese Mandarin Cantonese Marshallese intermediate Spanish Back in France I spent many years learning academic English in school But I progressed much faster when I forced myself to listen to the BBC or not look at the subtitles when watching an American movie I wish I had Susanna's book with me then It's full of creative ideas and practical tips that are indispensable complements to the traditional methods of learning foreign languages and it's coming from someone you can trust she speaks so many of them Philippe Levy French native speaker This book is great It showed me another aspect and a new approach of learning a language I will put the book to good use As a foreign English speaker I spent many years at school learning English and did not make much progress A lot of the tips that I read in this book I learned them with time However if I had read this book earlier it would have made my life much easier and I would have saved so much time I am going to apply the tips in Language is Music into learning a third language Spanish This time I am sure I will make huge progress much faster Not only is Language is Music useful in acquiring a foreign language but the resources and websites in the book are valuable for someone who wants to travel abroad Fabien Hsu French native speaker
