

#### STEP #1: REFLECT ON YOUR TRAVEL YEAR

Take a moment to think about what inspired you to go on your last vacation. What's the last time you checked your flight or travel details? Take a look back and look to your past to figure out what's working and what's not.

It's important to know what inspired you to travel so you can make sure you're doing the same things again. If you're traveling solo, it's time to think about what's working and what's not. If you're traveling with a partner, it's time to think about what's working and what's not.
