Modern Retailing Management Delbert J. Duncan, Stanley Charles Hollander, 1977 *The Emergence of Modern Retailing 1750-1950* Gary Akehurst, Nicholas Alexander, 2013-02-01 The history of retail business development is an under researched area This book considers the emergence and development of modern retailing from an historical and management perspective in the period 1750 1950 addressing the need for further research and providing examples of current research activity It considers the early emergence of retail forms in the late eighteenth century the evolution of retail forms in the nineteenth century and the late adaptation of retail management in the early twentieth century *Modern Retailing* Joseph Barry Mason, Morris Lehman Mayer, 1981 *Modern Retailing Management: Basic Concepts and Practices* Delbert J. Duncan, Charles Franklin Phillips, Stanley Charles Hollander, 1972 History of Korean Modern Retailing Jong-Hyun Yi, 2015-09-29 In History of Korean Modern Retailing Jong Hyun Yi shows how the Korean retail industry has developed since the 1970s focusing on the relationship among government consumers and retail companies especially the department store While generally it is said that underdevelopment of the Korean retail industry in the 1970s was attributed to economic immaturity he argues it was artificially formed by strong consumption repression by the government He also examines how consumption repression contributed to economic growth Such initial condition in developmental period is a crucial factor to explain other distinctions like explosive growth and remarkably short heyday of the department store afterward With this Jong Hyun Yi traces the correlation between economic growth and stratification of the consumption since the 1970s He proves that equality or inequality of consumption is a more influential factor for economic growth than that of income **Introduction to Modern Retailing** Norris Arthur Brisco, Leon Arnowitt, 1942 Modern Retailing Joseph Barry Mason, Morris Lehman Mayer, 1987 *Modern Retailing* Melvin Morgenstein, Harriet Strongin, 1987 Includes index glossary photo credits *Modern Retailing* Donald K.
