Did you know that your IQ intelligence quotient has little to do with the success you experience in life? In this book you will find yourself developing greater insight into your strengths and weaknesses in emotional intelligence as well as learning how you can use the techniques provided in this book to make a change in your life. Happy reading! While many people look at those with a high IQ as great thinkers, the reality is that IQ does not have a significant impact on future success. One study that disproved this connection studied Harvard graduates in the fields of education, law, business, and medicine. These graduates were scored based on their entrance exam scores, which are indicative of IQ. The study concluded that there was no correlation between the IQ measured and the success they experienced later in their careers. Unlike IQ, your emotional quotient is something that you can develop over time. By changing your thinking patterns and developing key skills, you can grow into the best possible version of yourself. Before we jump into the strategies that you can use, we'll discuss exactly what emotional intelligence is and explain how you can use it to experience benefits in different areas of your life. Some of the techniques that will be included in this book are: How to become aware of your own emotions, Determining your strengths and weaknesses in emotional intelligence, How to practice empathy or the awareness of other people's emotions, Understanding body language and para-linguistics that indicate people's true emotions, How to solve conflict in a way that leaves both parties satisfied, How you can use emotional intelligence to excel in the workplace, Tools for reducing stress and managing your own emotions, Techniques to help others manage their emotions. Here is a preview of what you'll learn: What is Emotional Intelligence? Benefits of High Emotional Intelligence. How it Impacts Your Life. Emotional Awareness. Cultivating an Awareness of Your Own Emotions. Emotional Awareness. Cultivating an Awareness of the Emotions of the People Around You. Taking Control of Your Emotional Intelligence.
