Rugman, Canadian-American Committee, C.D. Howe Institute, National Planning Association, 1987 From the Foreword Most Canadians and a growing number of Americans are aware that our two countries are each other s largest trading partner Investment issues have long been a source of tensions in the bilateral relationship because of Canadian concerns about the extent of U S ownership of key Canadian industries Although the United States is now a debtor country U S corporations continue to have substantial operations thoroughout the world with those in Canada accounting for more than one quarter of all their holdings in the industrial countries Over the past decade however there has been a remarkable shift in bilateral investment flows Investment by Canadian firms in U S operations has accelerated and the stake of Canadian multinational enterprises in the U S economy has risen rapidly relative

to the value of U S holdings in Canada This study documents the changes that have taken place International Economic Trend Analysis Howard G. Schaefer,1995-04-18 The rise of large economic regions rivaling the United States will challenge its competitive strength and ability to withstand cross border economic turbulence a challenge the U S has not faced in more than 50 years To meet this challenge American business leaders need a comprehensive understanding of the existing global economic and monetary system It is that plus an explanation of international economic trend analysis that Schaefer s book provides Based on key economic and financial indicators published weekly in The Economist Schaefer integrates a discussion of established international economic concepts with actual economic and financial data giving readers a system to evaluate current economic indicators and anticipate future trends An important resource for professionals and academics in international finance and investment and for corporate management operating on a global scale *Our Planet* ,2010
