A Metropolitan Slave Anthology JEB (John E. Bird), Selective Publishing, Inc, Katzoff Collection (Brown University), 1993 **Metropolitan Slave Anthology II** John E. Bird, JEB (John E. Bird), SleazeMaster, 1996-01-01 **Live Arts at The Met** Limor Tomer, Megan Metcalf, 2022-08-08 From the mid twentieth century to the present day The Met has been a popular venue for the performing arts and has hosted a wide range of world renowned musicians composers and dancers including Nina Simone Merce Cunningham Leonard Bernstein and Twyla Tharp Live Arts at The Met celebrates this rich history of performance at the Museum and features recollections by artists Lee Mingwei Bijayini Satpathy Andrea Miller Silas Farley Louisa Proske and Vijay Iyer who all share how their engagements with The Met influenced their music dance sound or theater An interview by Adam Gopnik with Limor Tomer Lulu C and Anthony W Wang General Manager of Live Arts provides additional context on the last decade of groundbreaking projects and suggests an exciting new future for performance at The Met **Debating the Slave Trade** Srividhya Swaminathan, 2016-05-13 How did the arguments developed in the debate to abolish the slave trade help to construct a British national identity and character in the late eighteenth century Srividhya Swaminathan examines books pamphlets and literary works to trace the changes in rhetorical strategies utilized by both sides of the abolitionist debate Framing them as competing narratives engaged in defining the nature of the Briton Swaminathan reads the arguments of pro and anti abolitionists as a series of dialogues among diverse groups at the center and peripheries of the empire Arguing that neither side emerged triumphant Swaminathan suggests that the Briton who emerged from these debates represented a synthesis of arguments and that the debates to abolish the slave trade are marked by rhetorical transformations defining the image of the Briton as one that led naturally to nineteenth century imperialism and a sense of global superiority Because the slave trade debates were waged openly in print rather than behind the closed doors of Parliament they exerted a singular influence on the British public At their height between 1788 and 1793 publications numbered in the hundreds spanned every genre and circulated throughout the empire Among the voices represented are writers from both sides of the Atlantic in dialogue with one another such as key African authors like Ignatius Sancho Phillis Wheatley and Olaudah Equiano West India planters and merchants and Quaker activist Anthony Benezet Throughout Swaminathan offers fresh and nuanced readings that eschew the view that the abolition of the slave trade was inevitable or that the ultimate defeat of pro slavery advocates was absolute *When Race Trumps Merit* Heather Mac Donald, 2023-04-18 Does your workplace have too few black people in top jobs It s racist Does the advanced math and science high school in your city have too many Asians It s racist Does your local museum employ too many white women It s racist too After the Black Lives Matter protests of 2020 prestigious American institutions from the medical profession to the fine arts pleaded guilty to systemic racism How else explain why blacks are overrepresented in prisons and underrepresented in C suites and faculty lounges their leaders asked The official answer for those disparities is disparate impact a once obscure

legal theory that is now transforming our world Any traditional standard of behavior or achievement that impedes exact racial proportionality in any enterprise is now presumed racist Medical school admissions tests expectations of scientific accomplishment in the award of research grants the enforcement of the criminal law all are under assault because they have a disparate impact on underrepresented minorities When Race Trumps Merit provides an alternative explanation for those racial disparities It is large academic skills gaps that cause the lack of proportional representation in our most meritocratic organizations and large differences in criminal offending that account for the racially disproportionate prison population The need for such a corrective argument could not be more urgent Federal science agencies now treat researchers skin color as a scientific qualification Museums and orchestras choose which art and music to promote based on race Police officers avoid making arrests and prosecutors decline to bring charges to avoid disparate impact on minority criminals When Race Trumps Merit breaks powerful taboos But it is driven by a sense of alarm supported by detailed case studies of how disparate impact thinking is jeopardizing scientific progress destroying public order and poisoning the appreciation of art and culture As long as alleged racism remains the only allowable explanation for racial differences we will continue tearing down excellence and putting lives as well as civilizational achievement at risk Empire and Identity Stephen H. Gregg,2005-10-16 This

anthology of primary material brings together literary and non literary texts from the 18th century focusing on issues including commerce and colonialism Britons sense of identity in the 18th century see sawed between embattled vulnerability and unassailable supremacy Empire was crucial in shaping this but contact with other peoples often threw into sharp relief or transformed this sense of identity This book will be an essential resource for those studying this period it traces these shifts in mood and the impact of imperial encounters in a variety of material including poems plays speeches letters and accounts of travel exploration and captivity **Romanticism and Subversive Suicide** Michelle Faubert,2025-04-30
