Meyer Lansky Dennis Eisenberg, Uri Dan, Eli Landau, 1979 **The Mafia Encyclopedia** Carl Sifakis, 2006 More than 500 alphabetical entries provide information on the people places and events associated with the Mafia Meyer Lansky Charles River Editors, 2018-09-12 Includes pictures Includes online resources and a bibliography for further reading Don't worry don't worry Look at the Astors and the Vanderbilts all those big society people They were the worst thieves and now look at them It's just a matter of time Meyer Lansky One of America's most infamous mobsters Meyer Lansky was also one of the most mysterious a perplexing yet inexplicably intriguing individual with multiple reputations To his admirers he was in many ways the ultimate genius and survivor within the callous and cut throat world of 20th century organized crime Even in adulthood Meyer was smaller than most standing anywhere between 4'11" to 5'4" and weighing 136 pounds at his heaviest He was not merely an intellectual he was worldly and wise one who often doled out advice akin to poetry to his children and grandchildren his gravelly voice oddly soothing At the same time he had all the stealth and cunning of a sphinx and while remarkably even tempered gangsters twice his size dared not cross him To them he was no more than a wildly ambitious often misunderstood entrepreneur who trod upon the border between legality and lawlessness with all the mastery of a tightrope artist He was above all the definition of humility one whose handshake was worth more than any contract and a man who actively dodged the spotlight that doggedly tailed him until the end of his days Conversely most will quickly concede that while Lansky was an exceptionally clever criminal he was a criminal all the same and the crimes of this dark horse were unforgivable Meyer was a fraudulent tax evading crook whose massive fortune was literally made off the bodies of countless victims He was a silver tongued fiend who preyed on the weak and impressionable plying them with booze and drugs and feeding their gambling addictions Lansky whose most famous nickname remains the Mob's Accountant was one of the few gangsters of his era to die in old age and he was never pinched for anything more serious than gambling It's believed he made upwards of 20 million in his time as a mobster but some still claim he was never the mogul the media painted him out to be Instead they assert that he was an expendable middleman and that he was an overzealous rogue who squandered away whatever fortune he had Meyer Lansky The Infamous Life and Legacy of the Mob's Accountant profiles the controversial life of one of organized crime's most notorious figures Along with pictures of important people places and events you will learn about Meyer Lansky like never before The Courtroom Is My Theater Jay Goldberg, Alex S.
