Virtue In Popular Film Joseph Kupfer,2018-03-08 Visions of Virtue in Popular Film grows out of the interplay between film criticism and a philosophical view of virtue Joseph H Kupfer argues that film fictions can be integral to moral reflection and thus by examining the narrative and cinematic aspects of popular films we can derive important moral truths about people and their behavior Taking as his base a classical conception of virtue and vice Kupfer offers an in depth examination of Groundhog Day The African Queen Parenthood Rob Roy Fresh Jaws and Aliens in order to investigate the value of virtue within ever widening social contexts **A History of Long Island** Peter Ross,1902 *A History of Long Island, Vol. 3*

Peter Ross,2017 With these books an effort has been made to present the history of the whole of Long Island in such a way as to combine all the salient facts of the long and interesting story in a manner that might be acceptable to the general reader and at the same time include much of that purely antiquarian lore which is to many the most delightful feature of local history Long Island has played a most important part in the history of the State of New York and through New York in the annals of the Nation It was one of the first places in the Colonies to give formal utterance to the doctrine that taxation without representation is unjust and should not be borne by men claiming to be free the doctrine that gradually went deep into the hearts and consciences of men and led to discussion opposition and war to the declaration of independence the achievement of liberty and the founding of a new nation It took an active part in all that glorious movement the most significant movement in modern history and though handicapped by the merciless occupation of the British troops after the

disaster of August 1776 it continued to do what it could to help along the cause to which so many of its citizens had devoted their fortunes their lives This is volume three out of three covering the history of Nassau County Hempstead Oyster Bay Suffolk County Huntington and many towns more **Chronicles of an Old Missouri Parish** John Ernest Rothensteiner,1917 **Gutter Auteur** Rob Craig,2012-12-01 Grindhouse filmmaker Andy Milligan has been the subject of a revealing biography and boasts a grassroots fan base but his remarkable work has thus far received no serious critical overview Working virtually alone on infinitesimal budgets often using a used 16mm newsreel camera Milligan crafted some of the most unique melodramas of the 1960s and 1970s Often mounted as period pieces using costumes sewn by the filmmaker Milligan s gritty bizarre films come across as inimitable meldings of the avant garde theater of Jean Genet the experimental films of Jack Smith and the random cinema verite of a lunatic with a home movie camera Yet Milligan s films are anything but random ruminating at length on profound sociocultural themes of the day including the emptiness of the sexual revolution Evident throughout all the films are two pet themes a rabid deconstruction of the heterosexual paradigm and a grotesque illumination of the family as breeder of dysfunction Telegraph and Telephone Age ,1925 People of the State of Illinois V.
