

# Metro Paris

**John Chancellor**

## **Metro Paris:**

**The Paris Metro** Susan L. Plotkin, 2000-12 The metro may be a mere hundred years old but it tells a tale of France twenty times as long The story begins in the fifth century BC when wild Celtic tribes roamed the countryside of Gaul Then Julius Caesar imposed a Roman rule that lasted five hundred years and forced the Celts to settle down All that seems like only yesterday to a Frenchman because those Celts and Romans are close friends to every reader of the French comic book series Asterix Asterix and his fellow Celts live quite happily in a small fortified enclave in Brittany in northwestern France Their idyllic primitive existence is occasionally intruded upon by those nasty Roman conquerors but the Celts always manage to get the best of the Romans despite great odds Al sia M tro Line 4 The Battle of Al sia 52 BC is the oldest event commemorated in the Paris Metro The Celtic warrior Vercing torix managed to unite competing tribes against the Romans in one last attempt to save Gallic independence It was not an easy task It was difficult to live with let alone lead these autonomous quarrelsome groups Vercing torix planned to wage hit and run guerrilla warfare to starve the Romans into defeat by destroying the crops in their path as they penetrated deeper into Gaul in pursuit of the pesky Celts In the town of Bourges the local population refused to allow the destruction of their wheat a fatal mistake Caesar descended on the town and confiscated it for his hungry troops With renewed energy the Romans gave chase The Celts retreated to a high plateau called Al sia where they were quickly surrounded by Caesar s forces The table was now turned Caesar built a fortification around Al sia twelve and a half miles in circumference It consisted of a double row of spikes one facing inward and the other outward which prevented both escape and the re provisioning of the rebels The Celts had only a month s worth of provisions but somehow they held out for two by which time the men were famished and exhausted Vercing torix surrendered Few lives had been lost in battle but countless numbers died of starvation Vercing torix was imprisoned in Rome where six years later when he was all but forgotten Caesar had him strangled to death Both the Celts who lost and the Romans who won have contributed much to French culture so it s a tricky thing for the French to say whether Al sia was a victory or a defeat One thing is clear in real life the Celts did not always win In the end it was most likely the mountains of horse manure that gave birth to the Paris Metro During the last quarter of the 19th century Paris did not lack the means of transport What it patently lacked was a transportation system There were competing omnibus lines trams trains and private conveyances all overlapping most taking roundabout routes throughout the city hindering one another and certainly hindering business Forty lines of horse drawn omnibuses traversed Paris in 1870 and ten thousand horses were required to pull them The maintenance of the horses ate up fifty percent of the entire company budget Each omnibus held about 20 passengers half of them riding on top of the carriage By the turn of the century the omnibuses carried as many as forty people each still with many sitting on the carriage roof The roads were made of cobblestones or wood planks or sometimes just hardened mud there were no shock absorbers on the carriages and the stench from the horse manure was overwhelming One hundred

million passengers used the omnibuses that year probably half of them holding perfumed handkerchiefs to their noses to ward off the stench     *Paris Metro Handbook* Brian Hardy,1999     [Discover Paris by Metro](#) Anne-Claire Ruel,Aurélie Clair,Catherine Taret,2012 A unique guide to the legendary Paris M tro that reveals line by line station by station what to see and do to discover Paris like a Parisian     *DK Eyewitness Travel Guide Paris* DK Travel,2016-10-18 DK Eyewitness Travel Guide Paris is your in depth guide to the very best of Paris The Eiffel Tower and the Louvre are among the many must see sights in Paris but DK Eyewitness Travel Guide Paris will show you so much more Walk along the banks and bridges of the River Seine the tree lined Champs lys es and the intricate back streets of the Montmartre neighborhood with your guide in hand to really embrace the culture of the most glamorous and romantic city in Europe Discover DK Eyewitness Travel Guide Paris Detailed itineraries and don t miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Guided walking tours local drink and dining specialties to try things to do and places to eat drink and shop by area Area maps marked with sights and restaurants Detailed city maps include street finder index for easy navigation Insights into history and culture to help you understand the stories behind the sights Suggested day trips and itineraries to explore beyond the city Hotel and restaurant listings highlight DK Choice special recommendations With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness Travel Guide Paris truly shows you what others only tell you     **Metro Stop Paris** Gregor Dallas,2009-05-26 A history of Paris in twelve m tro stops M tro Stop Paris recounts the extraordinary and colorful history of the City of Light by way of twelve M tro stops a voyage across both space and time At each stop a Parisian building or street or tomb or landmark sparks a story that holds particular significance for that area of the city Dallas takes us to the jazz cellars and literary caf s of Montparnasse and Saint Germain des Pr s the catacombs at Hell s Gate and the Op ra during the days of Claude Debussy A darker side of Paris emerges at the Trocad ro stop and a charitable side at the Gare du Nord which highlights the work of Saint Vincent de Paul Finally our journey ends at P re Lachaise cemetery with the little known story of Oscar Wilde s curious involvement in the Dreyfus affair one of France s greatest legal scandals From Hell the Denfert Rochereau stop on the south side of the city to Heaven the Gare du Nord at the north end of Paris M tro Stop Paris carries readers on a journey of the heart and mind M tro Stop Paris is a thinker s guide to Paris made up of slices of life little vignettes drawn from Paris s two thousand years of history Taken separately these are charming historic tales about a city known and loved by many but read as a whole M tro Stop Paris goes straight to the heart of what is quintessentially Parisian

**Paris Métro Style in Map and Station Design** Mark Ovenden, 2008 From the author of international best seller Metro maps of the world comes a work so thorough it is both a gripping read and a thing of beauty With lush photos and hundreds of beautiful rare and unusual maps some seen for the first time since their original publication this book is a must have for lovers of Paris design students transit fans and cartophiles

**Paris**

**Underground** Mark Ovenden, 2009 The Paris Métro is one of the most iconic transit systems in the world. Its classic art nouveau entrances, art deco candelabra, white tiled stations, and idiosyncratic maps are almost as recognizable city landmarks as the Tour Eiffel, Arc de Triomphe, or the Louvre. MARK OVENDEN from the Introduction. Illustrated with more than 1 000 full color maps, diagrams, and photographs of the iconic Paris subway system. PARIS UNDERGROUND is the essential graphic history of the magnificent Métro. PRAISE FOR Transit Maps of the World: More than impressive, Ovenden does what no other design history book has ever done. The New York Times: The perfect book for urban transit freaks and fans. USA Today

*Metropolitain* Andrew Martin, 2023-07-20 An utterly enjoyable voyage under Paris. THE OLDIE: Delightful and diverting. Martin is the most unpretentious and companionable of guides; the book is great fun. LITERARY REVIEW: An eclectic blend of engineering and travelogue, urban planning and anecdote, a sincere love letter. THE ECONOMIST: Andrew Martin has been described as the laureate of railways; having written many books with railway themes. Metropolitain: An Ode to the Paris Metro is the first English history of the Metro for the general reader. Metropolitain is as stylish as the Metro itself and laced with cultural references. Andrew explains why *Last Tango in Paris* is a great Metro film and what the Metro chase scene in the classic thriller *Le Samourai* says about Parisian culture. We also meet Andrew's half English, half French friend Julian, who runs a society dedicated to Metro history. He tells Andrew: A Metro station is like the wine cellar of a chateau, which is a very nice thing to be reminded of. The book takes the reader on a constant tour of Paris, both underground and over. But Paris and the Metro is changing, undergoing a huge expansion. This and the imminence of the Paris Olympics make this a timely title.

Paris Metro Photo, 2016 From Brassai to William Klein, a luxurious homage to the world's most iconic subway. At over 300 pages and with around 250 images, this delightful volume looks at the close relationship between photography and the heyday of the Paris metro, covering over a century of photographic documents. The major figures of photography all snapped the Paris metro from the humanists Doisneau, Henri Cartier Bresson, Brassai, Boubat, Izis, Kollar, Ronis, and more to photojournalists such as Robert Capa, William Klein, and Van der Keuken, in addition to the scores of photojournalists who passed through the city. In 1900, as the first metro rolled from west to east across Paris from Porte Maillot to Porte de Vincennes, photography had already been around for half a century. Turn of the century technological advances had created smaller, lighter cameras, the first Kodaks, which introduced the practice to a wider market. As Parisians fell in love with their new mode of transport, photography became a more widespread pastime. All genres and photographic practices are represented in this overview, from photojournalism to photo stories, street photography, fashion photography, architectural photography, and industrial photography. The resulting volume is a magnificent and charming hybrid, a history of the fascinating development of the Paris metro, long a cultural symbol of France, Art Nouveau, and urban technological innovation, in all its diversity, alongside a history of photography in Paris from the early 20th century to the present. *Paris by Metro* Arnold Delaney, 2006-04-01 Not only travelers but Parisians will have the Paris Metro explained by perusing this book in ways

they never have before An absolutely essential guide to really knowing Paris observes Robert Cole author of A Traveller s History of Paris What was the original name of the Place de la Concorde Why was the Tuileries palace so called and when was it destroyed Who built the Palais Royal Find the answers to these questions and many others in this fascinating new book which gives you the history behind the names of all the Metro stations in Paris Arnold Delaney s text is full of illuminating insights into hidden corners of the history of the world s most elegant city Take Le Kremlin Bicetre an intriguing example of how over many centuries names evolve and become corrupted known for its Bicetre Hospital parts of which date back to the seventeenth century The town s website explains that the Kremlin portion of the name is due to the fact that after Napoleon s retreat from Moscow in 1812 a hospice for his soldiers was set up in the town and the local pub was called Le Sergent du Kremlin Bicetre came about because at the end of the thirteenth century Jean de Pontoise the Bishop of Winchester owned land here The locals had difficulty pronouncing Winchester which became Vincestre and evolved to become Bicetre The text is complemented by colour photography especially commissioned for the book which takes a slightly idiosyncratic look at the city as well as giving a taste of the quintessential design and feel of the Metro system [Moon Metro Paris](#) Avalon Travel Publishing,2006 Moon s uncluttered layout is a must for viewing the various facets of the streets of Paris Readers learn where to dine on the Left Bank climb up the Eiffel Tower watch the sunset from outside the Sacre Coeur and see the sights such as the Arc de Triomphe the Musee D Orsay the Louvre and Notre Dame [Paris Travel Guide](#) Michael Brein, Ph.D.,2013-10-03 This is the updated lite mobile PDF or ePUB version of Michael Brein s Travel Guide to Paris A full expanded edition 7 99 is also available which includes an ultra large zoomable official map of Paris s subway Metro and suburban rail RER system with embedded links to visitor attractions This lite version also includes the official Paris Metro system map however it is not as zoomable as the one included in the full edition and does not include embedded links Michael Brein s Paris Travel Guide helps you get to the city s top 50 visitor attractions easily and cheaply using Paris s excellent Metro system From the Eiffel Tower to the Louvre with this ultra simple guide you have all you need to discover and get to Paris s 50 top points of interest or Paris s top 10 Must See attractions if you have limited time The guide also helps you find the nearest Metro station and which lines to take see how to exit the station and walk to the attraction note other nearby points of interest view the attraction s location on the official Paris Metro map and get to attractions without needing wireless internet access Michael Brein s Paris Travel Guide is compact concise and comprehensive and is so simple and convenient to use it is really all you need on your mobile device to get to all of Paris s top sights And since it s based on Michael Brein s acclaimed travel guide series to sightseeing by public transportation it s the simplest way to get around the world s big cities Similar guides to London Los Angeles Honolulu Chicago Washington DC and Madrid are also available and others are planned Michael Brein s Travel Guide to Paris is the best selling travel guide in Michael Brein s travel guide series to sightseeing by Public Transportation **How to be Happy in Paris Without Being Ruined!** John Chancellor,1926

*Paris* ,2003-09-01 Packed with photographs illustrations and a free pull out city map Eyewitness Travel Guide Paris explores all the unforgettable sights from the world famous Eiffel Tower and Louvre gallery to the artistic Montmartre and atmospheric Cimetiere du Montparnasse With detailed listings of the best hotels restaurants bars and shops for all budgets this fully updated and expanded guide gives insider tips on everything from shopping Parisian style on Avenue Montaigne to exploring the richly designed gardens of Versaille DK s uniquely visual Eyewitness Travel Guide Paris includes cutaways floor plans and reconstructions of the city s stunning architecture plus 3D aerial views of Paris s best districts to explore on foot The map has detailed street views of all the key areas plus there are transport maps and information on how to get around the city including the most useful tickets to buy for your stay [Handbook to Paris and Its Environs](#) ,1929 **Paris Metro**

**Tales** Helen Constantine,2011-03-24 Following on from Helen Constantine s hugely successful Paris Tales the twenty two short stories included in More Metro Tales take the reader on an fascinating journey around Paris by metro The journey begins at the Gare du Nord stops at twenty underground stations along the way and ends at Lamarck Caulaincourt Some of these stories actually take place in the metro itself but most are to be found when you emerge above ground They range from the 15th century account of the miraculous Saint Genevieve patron saint of Paris through tales by favourite writers such as Zola Simenon and Maupassant to Martine Delerm s evocation of the last hours of Modigliani s mistress Jeanne H buterne G rard de Nerval evokes the thriving bustling market in Les Halles in the 1850s Colette recounts her involvement in a traffic accident near the Op ra Boulanger describes a blackly funny experience in P re Lachaise Each story is illustrated with a black and white photograph and there is a map and suggested itinerary round the metro system Readers will find familiar and unfamiliar writers here but all are masterly writers of the short story and each evokes a different aspect of this endlessly intriguing and much loved city whether the traveller is on the metro or at home sitting in an armchair [\*\*The Engineering Index\*\*](#) ,1906

This book delves into Metro Paris. Metro Paris is an essential topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Metro Paris, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Metro Paris
- Chapter 2: Essential Elements of Metro Paris
- Chapter 3: Metro Paris in Everyday Life
- Chapter 4: Metro Paris in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Metro Paris. The first chapter will explore what Metro Paris is, why Metro Paris is vital, and how to effectively learn about Metro Paris.
3. In chapter 2, this book will delve into the foundational concepts of Metro Paris. The second chapter will elucidate the essential principles that must be understood to grasp Metro Paris in its entirety.
4. In chapter 3, the author will examine the practical applications of Metro Paris in daily life. The third chapter will showcase real-world examples of how Metro Paris can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Metro Paris in specific contexts. The fourth chapter will explore how Metro Paris is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Metro Paris. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Metro Paris.
