A bilingual middle grade collection of playful folktales from Afro-Cuban tradition in side-by-side English and Spanish text featuring ingenious human, animal, and magical protagonists. Did you know that fire first came from an old sorceress? Cuban folklore teaches us about how she selfishly kept it for herself until two clever twin boys who could play their drums as if they had magic in their hands tricked the hechicera into sharing it with the world. Whether or not you grew up hearing the story of Obbora, the Orisha who gained his special power by appreciating even the humblest gift, or of the three resourceful baby herons who used their song, *Tin-ganga-o tin-ganga-o*, to find their parents, this folktales collection will charm you with its humor, magic, and wisdom. In this Aesop Prize-winning book, reformatted for middle grade readers, folklorist and storyteller Joe Hayes shares stories he learned after years visiting Cuba and listening to local storytellers. He first visited Holguín, Cuba, the sister city of his hometown Santa Fe, New Mexico, in 2001. He fell in love with the island and began to look for opportunities to meet and listen to Cuban storytellers and to share the stories he knew from the American Southwest. He returned year after year, establishing a rich cultural exchange between U.S. and Cuban storytellers. Out of that collaboration came this fun collection of thirteen Cuban folktales. Joe gives context to the collection with an introduction and an all-important Note to Storytellers. In the Note, Joe goes over some of the background of each of the tales included, what culture these stories originate from, some of the cultural meanings of elements in the stories, previous collections these stories have been included in, or other relevant storytelling and anthropological information. This collection is a wonderful resource for anyone trying to learn about the unique blend of Spanish, African, and Caribbean influences on Cuban culture, for intermediate students of Spanish or English, storytellers looking to expand their repertoire, or anyone who enjoys a good folktale. Have fun reading and retelling these stories yourself. A captivating collection of thirteen folktales with influences from the Caribbean, Spain, and Africa. Hayes has captured the essence and diversity of Cuban creation myths, legends, and *Pataki*. This fascinating folktale anthology, *REFORMA*, by Joe Hayes, bilingual Spanish-English tellings, have earned him a celebrated place among America's storytellers. He began sharing his stories in print in 1982. In 2005, Joe received the Talking Leaves Literary Award from the National Storytelling Network, an award given to members of the storytelling community who have made considerable and influential contributions to the literature of storytelling. His books have received the Arizona Young Readers Award, two Land of Enchantment Children's Book Awards, four IPPY Awards, a Southwest Book Award, a Skipping Stone Honor, an Aesop Prize, and an Aesop Accolade Award. They have been on the Texas Bluebonnet Award Master List twice, and his book *Ghost Fever* was the first bilingual book to win the Bluebonnet Award.
