House-at-the-Corner Enid Blyton, 2022-08-01 Enid Blyton's *House at the Corner* is a heartwarming tale that captures the imagination of its young readers through simple yet vivid storytelling. Published by DigiCat Publishing, it stands as a testament to the enduring charm of Blyton's work, revived for contemporary audiences with great care. The narrative, embedded in realism with a twist of adventure, illuminates the everyday experiences of its characters while maintaining the author's signature literary style of clear, engaging prose. As a piece of classic children's literature, this book offers not just a story but also historical insight into mid-20th century domestic themes, conveyed through a lens accessible to children. Enid Blyton, a prolific British writer, is renowned for her contributions to children's literature. Her knack for crafting engaging narratives that resonate with the innocence and exploratory spirit of childhood has led her to become one of the most beloved children's authors of all time. *House at the Corner* is reflective of Blyton's deep understanding of young minds and her ability to depict familial and social situations in ways that are both educational and entertaining. This book, like much of her work, may have been inspired by her observations of children's interactions with their environments and each other, themes that are central to her storytelling ethos. Thoroughly enchanting and thoughtfully produced, *House at the Corner* is recommended for those who seek to introduce the younger generation to classic literature that withstands the passage of time. It serves not only as a delightful read but also as a cultural artifact, offering younger readers a glimpse into childhoods of the past while providing life lessons that are still applicable today. Saturday Night Jacinto Benavente, 1918 Uncommon Hope Jim Collins, 2017-02-03 Baseball bonded the Collins family, culminating when Michael played in the junior college World Series in Enid, Oklahoma, while Jim was coaching University High School in the Illinois state finals, seven hundred miles apart. Those bonds reached new heights with Jim as a head coach and Michael his assistant at University High School. A doorbell rings and lives are changed forever. A drunk driver and a horrific crash. Two brain surgeries. Five days in the hospital. A funeral. All played out in a very dramatic and public manner. But with all the pain comes some miracles, including a Pay It Forward movement with positive impact around the world in honor of Michael. Knowing it is what Michael would want, Jim returns to the dugout to coach the University High School Pioneers. How does a team of high school kids attend the funeral of their assistant coach one day then resume their season the next

Players parents and coaches pull together unlike any team Jim has coached before There are no complaints about playing time just a focus on the emotional well being of this savvy group of teenagers and their still grieving head coach One post season win would be an upset A regional championship seemed impossible The team discovers that no adversity on the field can come close to what they have already experienced off it Coaches players and parents learn the power of one team playing with a purpose bigger than the game The season ends where Jim never could have imagined that first day of practice **The prince who learned everything out of books.
