From Unknown to Unforgettable Harsh Pamnani, 2024-10-21 Transforming a product or service into a trustworthy brand is key to standing out in an insanely crowded marketplace. While extensive branding literature exists on international brands, there is a scarcity of the same on Indian brands especially the new age ones. India's diverse and evolving market presents unique challenges. What works in developed markets like America may not work in India. Additionally, the obstacles and limitations faced by start ups differ significantly from those encountered by established corporations. Consequently, the literature on established Indian brands may not be highly relevant in the rapidly evolving world of startups. If you want to understand how a start up can transform into an iconic brand in India's diverse, crowded, and ever changing market, this book is a goldmine of strategies and stories you must read.

Lost in the Scroll Adithya Krishnan, 2025-06-26 Drowning in the digital noise. This isn't another preachy self help book. It's not a spiritual sermon wrapped in Sanskrit and definitely not about quitting social media to live in a cave. Lost in the Scroll is your no fluff reality check for the digital age. It's where ancient Indian wisdom yes Sanatan Dharma quietly shows up in your everyday chaos whether you realize it or not. From doomsscrolling to dopamine burnout, this book connects the dots between timeless truths and your hyper online life. No robes, no rituals, just real talk on purpose, peace, and presence in a world designed to distract you. You don't have to ditch your phone. But you might want to rethink what you're really searching for when you scroll. Old wisdom. New context. No preaching. Just perspective.

AI Explains: TikTok Alexis Pani, 2025-06-01

TikTok is more than just an app on your phone; it's a global phenomenon that has fundamentally reshaped digital culture, entertainment, and even politics in just a few short years. From its origins as Douyin in China in 2016, a product of ByteDance's ambitious AI first vision, it embarked on a rapid ascent, culminating in its explosive global expansion following the strategic acquisition and merger with Musical Ly in 2018. This wasn't just a simple integration; it instantly catapulted TikTok into the mainstream in key Western markets, providing the critical mass needed for its sophisticated recommendation algorithms to truly take hold on a global scale. We see the viral dances, the fleeting trends, and the endless stream of personalized content, but understanding how this platform achieved such unprecedented dominance and why it exerts such profound influence requires looking beneath the surface. This book delves into the intricate layers of the TikTok ecosystem, moving beyond the viral moments to explore the technological engine, corporate strategy, and societal impacts that define the platform. You'll gain insight into the powerful AI algorithms that curate the addictive For You feed, shaping everything from music charts to political discourse, and examine the complex business model that translates billions of minutes of attention into a formidable economic force. We navigate the turbulent waters of data privacy concerns, national security fears, and the intense geopolitical pressures, including the legislative actions seen in 2024 that challenge the platform's very presence in countries worldwide. Drawing on research and data, we critically assess its influence on mental health, content moderation, and its evolving role in the global information ecosystem. Whether you're a student of media or technology, a business professional navigating the digital landscape, a parent concerned about online safety, or simply someone curious about the forces shaping modern life, this book offers a comprehensive and nuanced perspective. It provides the knowledge needed to understand not just what TikTok is but how it works, why it matters, and the complex challenges and opportunities it presents. By exploring its history, technology, culture, and controversies, you will gain a clearer picture of this powerful platform and its enduring influence on the digital age.

TikTok for Sales Josué Matos, In the ever-evolving digital landscape where trends shift at the speed of a click, a few platforms have reshaped the sales and marketing game quite like TikTok. What initially seemed like a space for fun and creative videos has become a powerful tool for brands seeking authentic connections with their consumers.

Far from being a passing trend TikTok represents a revolution in how products and services are promoted and sold online. This is the second book in a series designed to explore the potential of social media platforms for sales. While the first volume Instagram for Sales Strategies to Convert Followers into Customers focused on a well established platform known for its visual and interactive appeal this book dives into a dynamic and opportunity rich terrain. TikTok for Sales: Viral Strategies for Growth and Conversion is an essential guide for anyone looking to harness the viral power of TikTok transforming creativity into real conversions. With over 150 million active users in the United States alone and a global user base exceeding 1 billion, TikTok is not just a social network but a global stage where brands can shine by telling their stories in engaging and innovative ways. Through trends challenges short videos or live streams TikTok offers endless possibilities for entrepreneurs of all sizes to stand out in today's competitive market. In this book I've explored every aspect of the platform from setting up an attractive business profile to advanced sales strategies and performance analysis. Organized into 30 chapters the content is tailored for both beginners and seasoned professionals providing valuable and practical insights. You'll learn how to navigate TikTok's algorithm, create engaging content, leverage features like TikTok Shopping and hashtags, and build partnerships with creators to maximize your sales. As a digital marketing professional inspired by my international journey I bring a global perspective to this work. My name is Josu Matos author of over 50 books including Rich Uncle Poor Nephews and The Art of Reinvention. With a decade of experience in digital platforms and a Bachelor's degree in Advertising Marketing and Communications underway I have dedicated my career to helping entrepreneurs succeed in the digital world. My travels across Northern Ireland, Canada and the United States have broadened my outlook and enabled me to develop innovative strategies which I share with you in this book. Get ready to discover how to turn creativity into conversions, trends into sales and followers into loyal customers. Welcome to a new era of sales on TikTok. Together let's explore this dynamic platform and take your business to the next level.
