**Race for Empire** Takashi

Fujitani, 2011-11-01 Race for Empire offers a profound and challenging reinterpretation of nationalism racism and wartime mobilization during the Asia Pacific war In parallel case studies of Japanese Americans mobilized to serve in the United States Army and of Koreans recruited or drafted into the Japanese military T Fujitani examines the U S and Japanese empires as they struggled to manage racialized populations while waging total war Fujitani probes governmental policies and analyzes representations of these soldiers on film in literature and in archival documents to reveal how characteristics of racism nationalism capitalism gender politics and the family changed on both sides He demonstrates that the United States

and Japan became increasingly alike over the course of the war perhaps most tellingly in their common attempts to disavow racism even as they reproduced it in new ways and forms     **The Publishers Weekly** ,1911     **Model Soldiers** ,1972
