Models Of Study Practical English Seri:

Sri Lankans' Views on English in the Colonial and Post-Colonial Eras Dr. Subathini Ramesh, Mitali P. Wong, 2020-02-18

This book evaluates the views of different ethnic groups towards the English language in Sri Lanka for a period of almost two centuries. While a few studies have addressed the subject of English in Sri Lanka in a general way, there has been no research showing the specifics of English usage in the major ethnic communities of the country. This text considers notions and attitudes towards English that prevail in Sri Lanka today among writers, language planners, teachers, and students, habitual speakers and infrequent users, as well as elite and non-elite groups in the country. The book also examines colonial and postcolonial writings in three communities, namely the Sri Lankan diaspora and the Tamil and Sinhala communities.

Encyclopedia of Post-Colonial Literatures in English Eugene Benson, 2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories. In more than 1 600 entries written by more than 600 internationally recognized scholars, it explores the effect of the colonial and post colonial experience on literatures in English worldwide.
