Depicting Canada's Children Loren Lerner,2009-05-20

Depicting Canada's Children is a critical analysis of the visual representation of Canadian children from the seventeenth century to the present Recognizing the importance of methodological diversity these essays discuss understandings of children and childhood derived from depictions across a wide range of media and contexts But rather than simply examine images in formal settings the authors take into account the components of the images and the role of image making in everyday life The contributors provide a close study of the evolution of the figure of the child and shed light on the defining role children have played in the history of Canada and our assumptions about them Rather than offer comprehensive historical coverage this collection is a catalyst for further study through case studies that endorse innovative scholarship This book will be of interest to scholars in art history Canadian history visual culture Canadian studies and the history of children

The Canadian Children's Treasury Key Porter Books,1994-04 Moving through time into many worlds of the Canadian imagination The Canadian Children's Treasury features both traditional favorites including Robert Service's The Cremation of Sam McGee E Pauline Johnson's The Song My Paddle Sings and poetry and fiction such as Joy Kogawa's Stephen's Whistle and Dennis Lee's Going Up North 1994 Canadian Children's Literature ,1997 Creating the National Mosaic Miriam Verena Richter,2011 Preliminary Material National Identity Formation The Canadian Situation Canadian Cultural Policy with Regard to Children's Culture and Literature The Immigrant Experience as Depicted in Anglo Canadian Youth Fiction 1950 1994 The Development of Canadian Multicultural Children's Literature Conclusion and Outlook for the Future Bibliography Index **Canada's Child Immigrants** ,1925 *Picturing Canada* Gail Edwards, Judith Saltman,2014-07-31 The study of children's illustrated books is located within the broad histories of print culture publishing the book trade and concepts of childhood An interdisciplinary history Picturing Canada provides a critical understanding of the changing geographical historical and cultural aspects of Canadian identity as seen through the lens of children's publishing over two centuries Gail Edwards and Judith Saltman illuminate the connection between children's publishing and Canadian nationalism analyse the gendered history of children's librarianship identify changes and continuities in narrative themes and artistic styles and explore recent changes in the creation and consumption of children's illustrated books Over 130 interviews with Canadian authors illustrators editors librarians booksellers critics and other contributors to Canadian children's book publishing document the experiences of those who worked in the industry An important and wholly original work Picturing Canada is fundamental to our understanding of publishing history and the history of childhood itself in Canada Canadian Reference Sources Mary E. Bond, Martine M. Caron,1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by

subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include a citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers
