## **Modern Peoplehood:**

**Modern Peoplehood** John Lie, 2004-07-27 Race ethnicity and nation Lie argues are modern notions associated with the rise of the modern state the industrial economy and Enlightenment ideas The state is responsible for the development and nurturing of feelings of belonging associated with ethnic racial and national identity but also for racial and ethnic conflict even genocide

**Modern Peoplehood** John Lie, 2011-04 A most impressive achievement by an extraordinarily intelligent courageous and that goes without saying well read mind The scope of this work is enormous it provides no less than a comprehensive historically grounded theory of modern peoplehood which is Lie's felicitous umbrella term for everything that goes under the names race ethnicity and nationality Christian Joppke American Journal of Sociology Lie's objective is to treat a series of large topics that he sees as related but that are usually treated separately the social construction of identities the origins and nature of modern nationalism the explanation of genocide and racism These multiple themes are for him aspects of something he calls modern peoplehood His mode of demonstration is to review all the alternative explanations for each phenomenon and to show why each successively is inadequate His own theses are controversial but he makes a strong case for them This book should renew debate Immanuel Wallerstein Yale University and author of The Decline of American Power The U.S. in a Chaotic World

**Encyclopedia of Race, Ethnicity, and Society** Richard T. Schaefer, 2008-03-20 This encyclopedia offers a comprehensive look at the roles race and ethnicity play in society and in our daily lives Over 100 racial and ethnic groups are described with additional thematic essays offering insight into broad topics that cut across group boundaries and which impact on society

**MultiCultural Review**, 2005

**Cities of God and Nationalism** Khaldoun Samman, 2007 A remarkable and original discussion of three great sacred cities across time and their transformation by nationalism in the modern world Immanuel Wallerstein Yale University

**Principles and Practice Of American Politics: Classic and Contemporary Readings, 3rd Edition** Samuel Kernell, Smith S, 2006-07-15 Without ever losing sight of the classics Kernell and Smith take a fresh look at the implications of political science for our understanding of recent events and trends This balance of the classic with the contemporary along with careful editing to retain the flow of original pieces distinguishes this highly regarded reader Drawing from a variety of sources and perspectives readings examine the strategic behavior of key players in American politics These 44 selections show that political actors though motivated by their own interests are governed by the Constitution the law and institutional rules as well as influenced by the strategies of others Thanks to feedback from adopters 26 readings are back by popular demand while 17 new or revised selections offer readable and current analyses 5 of which have been written specifically for this volume Kernell and Smith supply helpful headnotes for each reading establishing important context and rationale for selections

**Discursive Constructions of Identity in European Politics** Richard C. M. Mole, 2007-07-12 The editor brings together specialists from critical discourse analysis and critical approaches to communications history literature cultural studies media sociology politics and international relations

to discuss the discursive construction of ethnic national and regional identities *The Historical Construction of Latino Peoplehood in the United States, 1350-1990* Gonzalo Francisco Santos Clynes,1993 Cosmopolitanism and Solidarity David A. Hollinger,2006-02-03 Who are we is the question at the core of these fascinating essays from one of the nation's leading intellectual historians With old identities increasingly destabilized throughout the world the result of demographic migration declining empires and the quickening integration of the global capitalist economy and its attendant communications systems David A Hollinger argues that the problem of group solidarity is emerging as one of the central challenges of the twenty first century Building on many of the topics in his highly acclaimed earlier work these essays treat a number of contentious issues many of them deeply embedded in America's past and present political polarization Essays include Amalgamation and Hypodescent Enough Already Universities Do Not Need More Christianity Cultural Relativism Why Are Jews Preeminent in Science and Scholarship The Veblen Thesis Reconsidered and The One Drop Rule and the One Hate Rule Hollinger is at his best in his judicious approach to America's controversial history of race ethnicity and religion and he offers his own thoughtful prescriptions as Americans and others throughout the world struggle with the pressing questions of identity and solidarity **Exploring the Concepts of Sovereignty and Belonging Among the Bad River Chippewa** Elizabeth Arbuckle Wabindato,2006 *Israel, the Diaspora, and Jewish Identity* Danny Ben-Moshe,Zohar Segev,2007 This title investigates the significance contribution and role played by the State of Israel ideologically and practically and explores the extent and way Israel features in diaspora identity through a range of issues Sh'ma ,2006

**Jewish Law and Modern Ideology** Elliot N. Dorff,1970 Zainichi Literature John Lie,2018 A multiple contributor volume on Zainichi literature literary works by ethnic or diasporic Koreans in Japan Includes translations of Japanese language essays stories and poems by seven authors *Forum on the Jewish People, Zionism, and Israel* ,1984 Book Review Index Cumulation Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year Journal of Mennonite Studies ,2004 **Stories of Peoplehood** Rogers M. Smith,2003-06-19 How can we build thriving political communities In this provocative account of how societies are bound together Rogers Smith examines the importance of stories of peoplehood narratives that promise economic or political power and define political allegiances in religious cultural racial ethnic and related terms Smith argues that no nations are purely civic all are bound in part by stories that seek to define elements intrinsic to their members identities and worth These types of stories can support valuable forms of political life but they also pose dangers that must be understood if they are to be

confronted In contrast to much contemporary writing Stories of Peoplehood argues for community building via robust contestation among sharply differing views This original argument combines accessible theory with colourful examples of myths and stories from around the world and over 2 500 years of human history     **Sociology of Diaspora** Ajaya Kumar Sahoo,Brij Maharaj,2007 Although there have been some discussions about diaspora in the past this has been more pronounced in the intellectual and public domain during the last decade of the 20th century Why has diaspora attracted such scholarly interest only recently Who are the protagonists who have made important contributions to the field This comprehensive collection of essays provides some answers by focusing on themes such as immigration transnationalism ethnicity identity religion politics citizenship gender sexuality and hybridity which comprise the domain of diaspora studies This book will be useful not only to sociologists but also to scholars working in the fields of social anthropology political science geography history philosophy literary cultural and ethnic studies     **Creating the Jewish Future** Michael Brown,Michael G. Brown,Bernard Lightman,1999 This volume of 19 essays grew out of a Conference that took place at York University in Toronto 1999
