### **Journal of Biblical and Theological Studies,**

**Issue 7.1** Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2023-09-21 The Journal of Biblical and Theological Studies (JBTS) is an academic journal focused on the fields of Bible and Theology from an inter-denominational point of view. The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world. JBTS is concerned with presenting high level original scholarship in an approachable way. Academic journals are often written by scholars for other scholars. They are technical in nature assuming a robust knowledge of the field. There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students. JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible. As an inter-denominational journal, JBTS is broadly evangelical. We accept contributions in all theological disciplines from any evangelical perspective. In particular we encourage articles and book reviews within the fields of Old Testament, New Testament, Biblical Theology, Church History, Systematic Theology, Practical Theology, Philosophical Theology, Philosophy and Ethics.

*An Introduction to Biblical Hebrew Syntax* Bruce K. Waltke, Michael Patrick O'Connor, 1990 Meeting the need for a textbook for classroom use after first year Hebrew grammar, Waltke and O'Connor integrate the results of modern linguistic study of Hebrew and years of experience teaching the subject in this book. In addition to functioning as a teaching grammar, this work will also be widely used for reference and self-guided instruction in Hebrew beyond the first formal year. Extensive discussion and explanation of grammatical points help to sort out points blurred in introductory books. More than 3,500 Biblical Hebrew examples illustrate the points of grammar under discussion. Four indexes, Scripture Authorities cited, Hebrew words and Topics provide ready access to the vast array of information found in the 40 chapters. Destined to become a classic work, this long awaited book fills a major gap among modern publications on Biblical Hebrew.
