**Liminalities in Early Modern Culture** Kaye McLelland,2022-11-25 *Violent liminalities in Early Modern Culture* is a methodologically innovative book combining the twin disciplines of queer theory and disability studies It investigates the violence feared from and directed at inhabitants of the betwixt and between spaces of early modern literature and culture through a focus on the perpetuated metamorphic states of Shakespeare s and Spenser s liminal figures including Lavinia Puck and Britomart With chapters on gender sexuality adolescence madness and physical disability Kaye McLelland applies a bi theoretical lens to interrogate the ways in which being simultaneously neither and both brings to bear the non normative disruption identified by queer theory in ways that use binary systems against themselves For many of Spenser s and Shakespeare s characters the in between state whether ritually or otherwise induced transforms the instantaneous binary threshold of the limen into a permanent habitation This created space is one of great power that is feared and violently countered by those who would shut it down Set against the literary history of Spenser s and Shakespeare s Ovidianism and festivity and the historical context of the post Reformation transformation from a tertiary to a binary model of the afterlife this volume identifies a persistent positioning of liminal literary figures in proximity to the liminality of the dead and dying whilst simultaneously tracing the positive ways in which these inhabitants of the powerful betwixt and between are depicted

**Madness**

**And Modernism** Louis Sass,1992-10-27 A stunning revelation of the eerie likeness between schizophrenic insanity and the sensibility of modern art literature and thought *Madness and Modernism* presents a vivid and highly original portrait of the world of the madman along with a provocative commentary on modernist and postmodernist culture Sass a clinical psychologist explores the bizarre experiences of schizophrenia and related conditions through a comparison with the works

of various artists and writers including Franz Kafka Paul Valery Samuel Beckett Alain Robbe Grillet Giorgio de Chirico and Marcel Duchamp and by considering the ideas of philosophers such as Friedrich Nietzsche William James Martin Heidegger Michel Foucault and Jacques Derrida The similarities between madness and modernism are striking defiance of authority and convention an extreme often dizzying relativism which can culminate in paralysis nihilism and all embracing irony a tantalizing uncanny but always frustrating sense of revelation obliteration of standard forms of time and narrative pervasive dehumanization and disappearance of external reality in favor of the omnipotent ego or alternatively dissolution of all sense of selfhood This rigorously argued gracefully written book offers a startlingly new vision of schizophrenia an illness long recognized as the greatest challenge to psychiatric or psychological understanding Conventionally seen as a loss of rationality perhaps involving a return to some infantile or bestial condition schizophrenia according to Sass is better understood as in a sense a disease of hyperrationality with detachment from action emotions and the body and entrapment in forms of acute self consciousness and heightened awareness Sass refuses to romanticize the schizophrenic as a heroic rebel mystic or passionate Wildman arguing instead that this condition echoes many of the most alienating aspects of modern life In an epilogue and appendix he considers whether modern culture might actively contribute to the genesis or shaping of schizophrenic forms of pathology and he discusses the possible role of abnormalities of the brain

Dunn, 2021-01-04 Performing Disability in Early Modern English Drama investigates the cultural work done by early modern theatrical performances of disability Proffering an expansive view of early modern disability in performance the contributors suggest methodologies for finding and interpreting it in unexpected contexts The volume also includes essays on disabled actors whose performances are changing the meanings of disability in Shakespeare for present day audiences By combining these two areas of scholarship this text makes a unique intervention in early modern studies and disability studies alike Ultimately the volume generates a conversation that locates and theorizes the staging of particular disabilities within their historical and literary contexts while considering continuity and change in the performance of disability between the early modern period and our own

**Mental Health, Spirituality, and Religion in the Middle Ages and Early Modern Age** Albrecht Classen, 2014-07-28 This volume continues the critical exploration of fundamental issues in the medieval and early modern world here concerning mental health spirituality melancholy mystical visions medicine and well being The contributors who originally had presented their research at a symposium at The University of Arizona in May 2013 explore a wide range of approaches and materials pertinent to these issues taking us from the early Middle Ages to the eighteenth century capping the volume with some

reflections on the relevance of religion today Lapidary sciences matter here as much as medical psychological research combined with literary and art historical approaches The premodern understanding of mental health is not taken as a miraculous panacea for modern problems but the contributors suggest that medieval and early modern writers scientists and artists commanded a considerable amount of arcane sometimes curious and speculative knowledge that promises to be of value and relevance even for us today once again Modern palliative medicine finds for instance intriguing parallels in medieval word magic and the mystical perspectives encapsulated highly productive alternative perceptions of the macrocosm and microcosm that promise to be insightful and important also for the post modern world Library of the World's Best Literature, Ancient and Modern: A-Z Charles Dudley Warner,Hamilton Wright Mabie,Lucia Isabella Gilbert Runkle,George Henry Warner,1902 Library of the World's Best Literature, Ancient and Modern Charles Dudley Warner,1896
