Necroscope: Avengers Brian Lumley, 2001-06-09 Jake Cutter the new Necroscope and the men and women of E Branch battle a bloodthirsty Wamphyri trio intent on converting Earth into a vampire hunting ground while searching for renegade Communists threatening to ignite a nuclear holocaust

Necroscope: Avengers Brian Lumley, 2002-05-19 The packed cruise ship is a terrific nesting ground for a Lord and Lady of the Wamphyri on the run from E Branch and the new Necroscope Jake Cutter By the time the ship is reported missing the few beings still living on board will no longer be human and the Wamphyri will be long fled to their next conquest Korath the vampire who lurks in Jake Cutter's mind is determined to gain control of Jake's life and Jake is equally determined not to let him have it But to win this struggle Jake must confide in Ben Trask and Trask the head of E Branch is likely to want Jake dead the minute he learns of Jake's intrusive passenger The spore garden planted under London by the third Wamphyri Lord Swartz is bearing bitter fruit indeed as a mysterious sleeping sickness with a vampiric taint slowly spreads among the population of Great Britain E Branch action teams have more on their plates than they can handle They must locate terrorists who threaten the world with nuclear homicide permanently close the Gate between the Wamphyri world and Earth analyze the spore plague and locate and destroy the three Wamphyri Even the powers of Harry Keogh the original Necroscope summoned from the Great Beyond via the combined powers of E Branch's strongest agents may not be enough to defeat the monsters who have brought Earth to the brink of total destruction

Beneath the Moors Brian Lumley, 2019-12-24 Prof Ewart Masters spends his convalescence following a car accident at the home of his nephew Jason Masters pursuing his studies of ancient civilizations during which he makes startling discoveries about the hidden city beneath the Yorkshire moors His search to unravel the mystery of the green figurines his efforts to assess the implications of Robert Krug's manuscript lead ultimately to Devil's Pool and the surviving world of Lhyib culminating in a series of dream like adventures as he wanders through the nightmare corridors of his new environment Beneath the Moors is primarily Gothic in atmosphere its brooding mystery and stark terror occasionally relieved by bits of quiet charm and subtle humor And the author's straightforward autobiographical technique possesses an element of immediacy seldom achieved in this type of narrative

Screaming Science Fiction Brian Lumley, 2022-01-08 Gleefully mixing SF fantasy and horror Screaming Science Fiction is a full length collection of nine thrilling chilling spine tingling stories by horror master Brian Lumley including No Way Home Snarker's Son The Strange Years and a nearly 20 000 word novella Feasibility Study appearing for the first time anywhere Contents of this collection Snarker's Son Man Who Felt Pain Strange Years No Way Home Man Who Saw No Spiders Deja Viewer Feasibility Study Gaddy's Gloves Big C

Ghoul Warning and Other Omens Brian Lumley, 2024-11-14 There have been several editions of this book Now it comes to you with five additional poems that have been found in recent years It is believed there is only one poem that remains lost In the Acrostics section you will find Fantasy Crossroads Pesh Tlen The Skull of HPL and Maggot In Odds and Ends section you will

find A Dreamer The least of Lumley's books this one is the rarest and the most sought after by collectors The least not only because it's a very slim volume but also because it's a book of poetry and the author doesn't claim to be a poet any more than he would claim to be a watchmaker And if he did claim to be a poet well he knows it would be disputed First published by Spectre Press in 1982 if you were lucky enough to get one of the limited copies hold on to it It's different and entertaining to read

Brian Lumley's The Best of the Rest Brian Lumley, 2023-11-11 From the Introduction This pretty much is what the title says Many of the stories novellas here will have only been done in limited print runs such as in fanzines magazines pamphlets special editions or online magazines It's a mixed genre of stories and these are what Brian considers the best of the rest of the stories in his body of work We've got 111 000 words in this collection so that means lots of enjoyment in what is likely the last collection coming from Brian The Challenge As some fools do But do you dare Yes Well don't The Man Who Photographed Beardsley They should have been pictures from life or was he simply impatient The Cyprus Shell There are some you can eat while others have their own pick me ups Clean Slate If you're in debt to the Devil don't mess with look a like sisters The Deep Sea Conch Some species build nests while others are much like the cuckoo The Ugly Act But what's a pimple or two if there's only you Irving's Story Her downstairs knew best every time The Running Man It may be true you can run but as for finding a place to hide Somebody Calling The only way she could He simply had to listen harder Vanessa's Voice Both beautiful and deadly The Vehicle Some might think of him that way others as a dyadic personality Mandraki Take care who you lie down with and where Two Stone Tom Yes except he was an entire science heavier than that The Long Last Night Was it just a myth or a Mythos The Weird Wines of Naxos Niss A wizard's stolen potion is another man's gateway to Nirvana maybe Stealer of Dreams Always remember once they're gone they might stay gone

enslave mankind They saw him suffer a great personal loss and then recover his family and later his humanity through a new love And they saw Harry wage the grimmest battle of his life against the vampire he himself was becoming Even after Harry's story was done Brian Lumley continued to write books about Harry's legacy the other Necrosopes who inherited his weird talents But Harry himself would not go quietly into that darkness that lies beyond an author's imagination and now Brian Lumley has written three new novellas about Harry and his supernatural adventures which are published for the first time in the United States in *Harry and the Pirates* At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
