**Building an Antislavery Wall** Richard J. M. Blackett,2002-01-01 In Building an Antislavery Wall R J M Blackett examines the efforts of black Americans in England to advance the cause of their own freedom Speaking to enthusiastic working class crowds in the cities and lobbying in the salons of the wealthy and aristocratic black Americans used England as a forum to tell the world of their cruel plight in the United States to expose what they saw as an oppressive slave society masquerading as the seat of democracy and freedom It was their goal to create a moral cordon around the United States so that in the words of Frederick Douglass wherever a slaveholder went he might hear nothing but denunciation of slavery that he might be looked upon as a man stealing cradle robbing woman stripping monster and that he might see reproof and detestation on every hand The American blacks who visited England between 1830 and 1860 came there for various specific reasons some to raise funds for projects at home some to receive the education that they had been denied by American colleges many for refuge from slave catchers But every black saw himself at least to some extent as an emissary from his enslaved brethren in America and he was treated as such by British society Some Frederick Douglass and Martin R Delany for example were already famous others like Henry Box Brown and James Watkins would gain fame through their lecturing while in England Some of the blacks who came to England were ministers others were doctors journalists and authors of slave narratives Clearly gifted and articulate individuals these black Americans stood as living proof of slavery s unfairness flesh and blood refutations of America s boasted freedom Tracing the impact of the black Americans Blackett concludes that they were very effective spokesmen who significantly advanced the cause of the Atlantic abolitionist movement British support had monetary as well as symbolic value and the popularity of the blacks as lecturers gave them a special edge in both fund raising and proselytizing At the same time while organized white

abolitionist societies expended much of their energy on sectarian disputes the blacks sought to bridge these differences in the hope of marshaling the full weight of British opinion in their favor The blacks played an especially important role Blackett finds in discrediting the American Colonization Society their adamant opposition made it difficult for colonizationists to convince the British that their plan was in the blacks best interest Chronicling the efforts of black Americans to win international support for their struggles at home Building an Antislavery Wall illuminates an important chapter in the history of American reform and in the emergence of an articulate black leadership in the United States To Go Beyond Craig Timothy Michaels,2012-08 Every man feels the need to be a hero for the woman he loves while every woman holds a hidden desire for a knight in shining armor to sweep her into a life of true love After twenty three years Colonel James Paul Gordon a retired air force pilot is thrust into such a position His lost love Samantha Marissen daughter of one of the country s wealthiest men and recently divorced from an emotionally and physically abusive man is arrested in an unstable foreign land and charged as a spy in an unwarranted retaliatory act against the United States Past and present collide as Jim Gordon a man with no family lays his life on the line to reunite the family of Ed Marissen his nemesis **Mission: Nemesis** Anthony James,2021 *As Great as Any, Less Than None* Geo Beauregard,2020-12-30 For too long now too many societies including the United States of America have been tinkering with and endeavoring to tweak the Ultimate Divine Architect s work which constitutes and is tantamount to one of the most flagrant spiritual violations perpetrated by man The United States of America continues to speak very eloquently and forcefully about crimes being committed by other societies and vows to do whatever it takes to address those crimes As a matter of fact the United States of America is one of a number of nations which speak out against crimes However America must remember the cliché Action speaks louder than words When we speak about action here we are not necessarily talking about going to war America has caused a lot of open wounds which remain perpetually opened and which they must now nurse and atone for before they can effectively provide the leadership that appears to become more and more elusive Meanwhile the lack of atonement or refusal to atone for crimes against the indigenous natives and the African Americans especially for crimes such a festering painful and agonizing reality in the society America must propitiously seek to atone for their sins **The Retro War** Dietmar Arthur Wehr,2014-10-26 The Synchronicity War is over and the Insectoid beachheads in our spiral arm have been destroyed but the aftermath of the war holds some nasty surprises for Humanity and its loyal AI allies Somebody is messing with the human timeline Is it the Friendlies the Sogas the Insectoids or a new race This stand alone novel set in the same universe has new human and AI characters Find out what happened to Valkyrie Casanova Iceman Gunslinger and the other Rim AIs The Retro War spans time and space in a galactic chess game with humans and their AIs as the pawns **Heroes of the Mission Field** William Pakenham Walsh,1903 The Spirit of Missions ,1894 Includes the proceedings of the annual meeting of the Society *The Mission Field* ,1875 Mission Life; Or Home and Foreign Church Work ,1877 *Signs and Portents in the Far*
