Nepa Planning Process A Comprehensive Guide With Emphasis On Efficiency:

The NEPA Planning Process Charles H. Eccleston, 1999-01-18 Designed to save hours of painstaking research while minimizing costs and risk of litigation it integrates critical information from hundreds of sources including the Council on Environmental Quality CEQ's NEPA regulations and guidance presidential and EPA directives case law recent research from nationally recognized experts and the professional experiences of NEPA practitioners

Effective Environmental

Assessments Charles Eccleston, J. Peyton Doub, 2016-04-19 Although upwards of 50 000 Environmental Assessments EA are prepared annually the focus of the National Environmental Policy Act's NEPA Regulations is clearly on defining requirements for preparing environmental impact statements Surprisingly until now there has been no authoritative and comprehensive

guide on how to prepare Environmental Assessments [Exploring National Environmental Policy Act Processes Across Federal Land](#)

[Management Agencies](#) Marc J. Stern, 2010-10 Broad discretion is granted at all levels throughout federal land management agencies regarding compliance with the National Environmental Policy Act NEPA The authors explored the diversity of procedures employed in NEPA processes across four agencies the Forest Service the National Park Service the Bureau of Land Management and the U.S. Army Corps of Engineers There is a lack of consistency not only between but also within agencies with regard to how NEPA is implemented This report focuses on how successful NEPA processes are defined within each agency and what strategies are the most or least beneficial to positive NEPA outcomes Also identifies unresolved questions about NEPA processes and presents a research strategy for addressing them

NEPA Effectiveness Frederic March, 1998-06-01

Designed for both beginning and seasoned NEPA practitioners this book guides professionals through the systematic mastery of the National Environmental Policy Act and its regulations The book written by NEPA expert Frederic March is organized around ten themes of actual practice purposes documents analysis coverage effectiveness involvement application decisions agencies and procedures

[Encyclopedia of Transportation](#) Mark Garrett, 2014-08-13 Viewing transportation through the lens of current social economic and policy aspects this four volume reference work explores the topic of transportation across multiple disciplines within the social sciences and related areas including geography public policy business and economics The book's articles all written by experts in the field seek to answer such questions as What has been the legacy not just economically but politically and socially as well of President Eisenhower's modern interstate highway system in America With that system and the infrastructure that supports it now in a state of decline and decay what's the best path for the future at a time of enormous fiscal constraints Should California politicians plunge ahead with plans for a high speed rail that every expert says despite the allure will go largely unused and will never pay back the massive investment while at this very moment potholes go unfilled all across the state What path is best for emerging countries to keep pace with dramatic economic growth for their part What are the social and financial costs of gridlock in our cities Features Approximately 675 signed articles authored by prominent scholars are arranged in A to Z fashion and conclude with Further Readings and cross

references A Chronology helps readers put individual events into historical context a Reader s Guide organizes entries by broad topical or thematic areas a detailed index helps users quickly locate entries of most immediate interest and a Resource Guide provides a list of journals books and associations and their websites While articles were written to avoid jargon as much as possible a Glossary provides quick definitions of technical terms To ensure full well rounded coverage of the field the General Editor with expertise in urban planning public policy and the environment worked alongside a Consulting Editor with a background in Civil Engineering The index Reader s Guide and cross references combine for thorough search and browse capabilities in the electronic edition Available in both print and electronic formats Encyclopedia of Transportation is an ideal reference for libraries and those who want to explore the issues that surround transportation in the United States and around the world
