Nervous Christians Gilbert Little, 2013-01-18 In this day of unsettled world conditions social tensions and increasing crime and moral laxity multitudes of people are emotionally disturbed Christians unfortunately are not immune to mental stress worry and the assault of care and anxiety This need not be so for Christ and His Word offer the answer Dr Little author of *Nervous Christians* is a Christian psychiatrist with many years of experience in dealing with the mental and psychological problems of uncounted men and women He combines the skill of a trained physician with a dedicated Christian's knowledge of God's Word and God's love He takes into consideration the factors other psychiatrists weigh but also considers the part played by Satan the deceiver in the life of troubled Christians A careful reading of this book will help you to understand more clearly why so many people even Christians become disturbed and confused and how such difficulties can be cured through Christ You will find the book interesting enlightening and most helpful **Nervous Christians** L. Stelter, 2024-02-15 We have been indoctrinated with the lie that belief in God is irrational As a result the United States is rapidly becoming a post Christian nation At the current rate by 2040 most Americans will no longer identify as Christian Mark Stelter relies on his professional experiences as a lawyer theologian and former college professor to carefully examine secular materialism and clearly demonstrate that it is the theistic worldview not the atheistic worldview that is most supported by the evidence Stelter explores a variety of topics that include the triumph of secularism in American culture the shift in worldviews the separation of church and state the academic assault on religion moral truth versus moral relativism the intolerance of tolerance and much more *Post Christian Nation* is a well documented examination of how Christianity not atheism prevails when tested by reason logic and science **Christian-Muslim Relations.
