

# YOU ARE NOT BROKEN

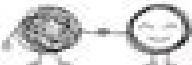

A Trauma-Healing  
Companion for Coming  
Home to Yourself

ReReads...  
My Trauma Events...

•WHAT IS TRAUMA, REALLY?•

"Trauma is not the story of something that happened back then. It's the current impact of that pain, fear, and helplessness on your body, mind, and soul." (Book intro, p.1)

You're seeking healing. Suddenly, you hear an alarm blare. If hearing it may help, "OK, just a tiny blare. You're disconnecting." No pain. It blishes. It processes. It remembers. That's rather trauma.

It's like how "big" or "small" something was. It's defined by how alone, scared you feel when it happened - and whether anyone helped.

Book Blurb...

• You're not broken  
• You're just different  
• You're "the good," or "I'm not as big/little"  
• You're walking on eggshells and a daily ritual

• You remember these moments even if your mind tries to forget. It has its ways that seem "too much" now—but made perfect sense

• You...

• You got praised when you got good grades. But when she cried, it was, "Stop being dramatic." Now, as an adult, she hasn't let her cry—just in therapy, her nervous system learned, "It's OK to cry, not my business!"

Rooted in neuroscience,  
somatic therapy, and  
trauma-informed care

# For Beginners Trauma Healing
