*Moderating Focus Groups* Thomas L. Greenbaum, 1999-11-18 Like every other agency research director I suffer from focus group anxiety Pumping M M s behind the one way mirror I m monitoring the groups the moderator and the client simultaneously It s tough enough to manage the client s expectations and responses Worrying about whether the moderator can effectively manage the content flow and the group dynamic makes the experience life threatening Watching Tom moderate I find myself constantly thinking Wow he s smart I wish I thought of that He s the best George Scribner Research Manager Organic Inc Dynamic entertaining and armed with information on new drugs and medical techniques that would challenge the knowledge of most physicians Tom Greenbaum presides over an attentive yet relaxed group of medical specialists anxious to share their opinions and prejudices with this most charming of focus group moderators Serving as a polished master of ceremonies Mr Greenbaum is able to work with the many individual styles of his physician panel and at the conclusion leaves one with the sense of having participated in something important Alan H Richman M D Chairman Department of Radiology of Norwalk Hospital Tom Greenbaum is a highly effective moderator who has the special ability to quickly learn any subject matter and can conduct groups with expert knowledge From the discussion guide to the final report Tom works with speed and accuracy Mark Alfonso V P of Marketing The Purdue Frederick Company Tom is one of the most competent and intuitive moderators I have ever worked with not only does he have an impeccable understanding of the technical skills necessary for a successful moderator he also has a unique and uncanny ability to foster and capitalize on the internal dynamics of any group Joseph A Ciaralli The Prudential Insurance Company of America Thomas L Greenbaum eats and breathes focus groups If you want a definitive look at this research technique you need to either live with the guru for a year or read his books Dave Quincy Clarion Marketing and Communications The entire range of facilitation techniques is covered in this comprehensive handbook from pre session tips in participant recruitment to post session reporting *Moderating Focus Groups* covers all the fundamentals of successful group facilitation and also includes a wealth of advanced techniques not found in other books on focus group research on managing group dynamics energizing a tired group and digging deeper into the minds of participants Greenbaum also goes beyond the basics with chapters on how to build a business moderating focus groups and how to price moderating services While this book is particularly aimed at the needs of focus group practitioners there is plenty of advice that will benefit anyone who conducts in

depth interviews or group facilitation. Additionally, the many people who hire moderators to facilitate their sessions will benefit from reading this book because it will provide them with valuable insights on how to evaluate their moderators' work.

**Moderating Focus Groups** Thomas L. Greenbaum, 1999-11-18. Designed specifically for the needs of the focus group moderator, this comprehensive guide covers everything from pre-session participant recruitment to post-session reporting. In addition, the author includes a wealth of advanced and new techniques such as those for managing group dynamics, energizing a tired group, projective techniques, personality association, and position fixing. Extremely practical and well-written, the book includes chapter summaries and a helpful glossary.

**The Focus Group Kit** David L. Morgan, Richard A. Krueger, 1997-09-23. You have just been asked to run a focus group but you don't know where to start. How do you get the right mix of people together? How many people should be in your group? What kind of questions should you ask? How do you phrase them? What do you do with the information you've gathered? How do you put it all together in one cohesive report? These are but a few of the issues that are covered in *The Focus Group Kit*. The kit provides you with all you'll need to know to run a successful focus group from the initial planning stages to asking questions, moderating, to the final analyzing and reporting of your research.
