A Survey of Modern English Stephan Gramley, Kurt-Michael Pätzold, 2004-02-24 Fully revised and updated the second edition of this authoritative guide is a comprehensive scholarly and systematic review of modern English In one volume the

book presents a description of both the linguistic structure of present day English and its geographical social gender and ethnic variations Covering new developments such as the impact of email on language and corpus based grammars this accessible text has been extensively rewritten and brings the survey of modern English right up to date It also offers new examples and suggestions for further reading *Australian English Reimagined* Louisa Willoughby,Howard

Manns,2019-11-01 Australian English is perhaps best known for its colourful slang but the variety is much richer than slang alone This collection provides a detailed account of Australian English by bringing together leading scholars of this English variety These scholars provide a comprehensive overview of Australian English's distinctive features and outline cutting edge research into the variation and change of English in Australia Organised thematically this volume explores the ways in which Australian English differs from other varieties of English as well as examining regional social and stylistic variation within the variety The volume first explores particular structural features where Australian English differentiates itself from other English varieties There are chapters on phonetics and phonology socio phonetics lexicon and discourse pragmatics as these elements are core to understanding any variety of English especially within the World Englishes paradigm It then considers what are arguably the most salient aspects of variation within Australian English and finally focuses on historical attitudinal and planning aspects of Australian English This volume provides a thorough account of Australian English and its users as complex diverse and worthy of study Perhaps more importantly this volume's scholars provide a reimagining of Australian English and the paradigm through which future scholars may proceed **Englishes around the World** Edgar W.

Schneider,1997-06-26 The two volumes of Englishes around the World present high quality original research papers written in honour of Manfred Görlach founder and editor of the journal English World Wide and the book series Varieties of English Around the World The papers thematically focus on the field that Manfred Görlach has helped to build and shape Volume 2 of Englishes Around the World presents studies of so called New Englishes post colonial varieties as spoken predominantly in countries of the former British Empire There are five contributions on the Caribbean covering Jamaica Guyana and Trinidad five articles on Africa South Africa East Africa and Nigeria six studies of English in Asian countries Japan the Philippines India Singapore Malaysia and Papua New Guinea and six papers on Australia and New Zealand Topics covered range from sociohistorical causes and processes the nativization of English in different countries or the expression of individual identities by means of the English language through structural descriptions to sociolinguistic psycholinguistic lexicographic pragmatic stylistic and other matters The articles in the respective sections are written by D R Craig L M Haynes P L Patrick K Shields Brodber and L Winer A Banjo V de Klerk R Mesthrie J Schmied and P Silva R W Bailey R Begum and T Kandiah A Gonzalez R R Mehrotra P M hll user and M Newbrook L Bauer S Butler M Clyne P Peters and A Delbridge G Tulloch and G W Turner

The Evolution of Englishes Sarah Buschfeld,Thomas Hoffmann,Magnus Huber,Alexander Kautzsch,2014-09-15 This two part volume provides a collection of 27 linguistic studies and contributions that shed light on the evolution of different

Englishes world wide varieties learner Englishes dialects creoles from a broad spectrum of different perspectives including both synchronic and diachronic approaches What makes the volume unique is that it is the first ever contribution to the field which includes a section exclusively committed towards testing discussing and refining Schneider's 2007 Dynamic Model against recent realities of English world wide Part 1 These realities include a wide variety of case studies ranging from regions socio linguistically as diverse as South Africa the Phillipines Cyprus or Germany Part 2 goes beyond the Dynamic Model and offers both empirical and theoretical perspectives on the evolution of World Englishes In doing so it provides contributions with a theoretical focus on the topic as well as cross varietal accounts it sheds light on individual Englishes from different geographical regions and offers new perspectives on old varieties **Englishes Around the World:**
