*The Modern Library Writer's Workshop* Stephen Koch, 2009-05-14 Make your characters want something right away even if it's only a glass of water Characters paralyzed by the meaninglessness of modern life still have to drink water from time to time Kurt Vonnegut The cat sat on the mat is not the beginning of a story but the cat sat on the dog's mat is John Le Carr Nothing is more inspiring for a beginning writer than listening to masters of the craft talk about the writing life But if you can't get Vladimir Nabokov Virginia Woolf and Gabriel García Márquez together at the Algonquin The Modern Library Writer's Workshop gives you the next best thing Stephen Koch former chair of Columbia University's graduate creative writing program presents a unique guide to the craft of fiction Along with his own lucid observations and commonsense techniques he weaves together wisdom advice and inspiring commentary from some of our greatest writers Taking you from the moment of inspiration keep a notebook with you at all times to writing a first draft do it quickly you can always revise later to figuring out a plot plot always serves the story not vice versa Koch is a benevolent mentor glad to dispense sound advice when you need it most The Modern Library Writer's Workshop belongs on every writer's shelf to be picked up and pored over for those moments when the muse needs a little help finding her way

*Workshops of Empire* Eric Bennett, 2015-10-15 During and just after World War II an influential group of American writers and intellectuals projected a vision for literature that would save the free world Novels stories plays and poems they believed could inoculate weak minds against simplistic totalitarian ideologies heal the spiritual wounds of global catastrophe and just maybe prevent the like from happening again As the Cold War began high minded and well intentioned scholars critics and writers from across the political spectrum argued that human values remained crucial to civilization and that such values stood in dire need of formulation and affirmation They believed that the complexity of literature of ideas bound to concrete images of ideologies leavened with experiences enshrined such values as no other medium could Creative writing emerged as a graduate discipline in the United States amid this astonishing swirl of grand conceptions The early workshops were formed not only at the time of but in the image of and under the tremendous urgency of the postwar imperatives for the humanities Vivid renderings of personal experience would preserve the liberal democratic soul a soul menaced by the gathering leftwing totalitarianism of the USSR and the memory of fascism in Italy and Germany Workshops of Empire explores this history via the careers of Paul Engle at the University of Iowa and Wallace Stegner at Stanford In the story of these founding fathers of the discipline Eric Bennett discovers the cultural political literary intellectual and institutional underpinnings of creative writing programs within the university He shows how the model of literary technique championed by the first writing programs a model that values the interior and private life of the individual whose experiences are not determined by any community ideology or political system was born out of this Cold War context and continues to influence the way creative writing is taught studied read and written into the twenty first century

Advice to the Writer Stephen Koch, 2014-02-25 From Stephen Koch former chair of Columbia

University's graduate creative writing program comes essential and practical advice drawn from The Modern Library Writer's Workshop. With nearly thirty years of teaching experience Stephen Koch has earned a reputation as an astute and benevolent mentor and with *Advice to the Writer* his lucid observations and commonsense techniques have never been more accessible. Here Koch dispenses sound guidance for those moments when the muse needs a little help finding her way in *Shaping the Story* he untangles plot in *Working* and *Reworking* he explains the most teachable yet least often taught of all writerly skills revision and in *The Story of the Self* he delves into autobiography. Featuring handpicked commentary from some of our greatest authors *Advice to the Writer* is a unique introduction to this maddening and intoxicating pursuit. Praise for Stephen Koch's *The Modern Library Writer's Workshop* An extraordinarily comprehensive and practical work by a master craftsman and a master analyst of the craft. Madison Smartt Bell author of *All Souls Rising* and *Anything Goes* Stephen Koch was my teacher long ago. Now he is everyone's teacher indelibly. This is a book not just for the beginning writer but for every writer. Martha McPhee author of the National Book Award nominee *Gorgeous Lies* *The Modern Library Writer's Workshop* is a treasure trove of wisdom both immensely practical and philosophical entertaining and thought provoking. Koch takes us inside the writing process and it is impossible not to emerge transformed. Joanna Hershon author of *Swimming*

**Reconsidering Flannery O'Connor** Alison Arant, Jordan Cofer, 2020-11-24 Contributions by Lindsay Alexander, Alison Arant, Alicia Matheny Beeson, Eric Bennett, Gina Caison, Jordan Cofer, Doug Davis, Doreen Fowler, Marshall Bruce Gentry, Bruce Henderson, Monica C. Miller, William Murray, Carol Shloss, Alison Staudinger, and Rachel Watson. The National Endowment for the Humanities has funded two Summer Institutes titled *Reconsidering Flannery O'Connor* which invited scholars to rethink approaches to Flannery O'Connor's work. Drawing largely on research that started as part of the 2014 NEH Institute this collection shares its title and its mission. Featuring fourteen new essays *Reconsidering Flannery O'Connor* disrupts a few commonplace assumptions of O'Connor studies while also circling back to some old questions that are due for new attention. The volume opens with *New Methodologies* which features theoretical approaches not typically associated with O'Connor's fiction in order to gain new insights into her work. The second section *New Contexts* stretches expectations on literary genre on popular archetypes in her stories and on how we should interpret her work. The third section lovingly called *Strange Bedfellows* puts O'Connor in dialogue with overlooked or neglected conversation partners while the final section *O'Connor's Legacy* reconsiders her personal views on creative writing and her wishes regarding the handling of her estate upon death. With these final essays the collection comes full circle attesting to the hazards that come from overly relying on O'Connor's interpretation of her own work but also from ignoring her views and desires. Through these reconsiderations some of which draw on previously unpublished archival material the collection attests to and promotes the vitality of scholarship on Flannery O'Connor.
