## Near Northwest Side Story:

**The Near Northwest Side Story** Gina Perez, 2004-10-04 An original and significant contribution to Puerto Rican Latino and Latin American studies drawing on the perspective of ordinary men and women Gina Perez's fine work is based on intensive research in two distant but interconnected places conducted by a perceptive and sensitive observer participant herself immersed in two languages cultures and nations Clearly written and cogently argued her book will be of great interest to students of migration ethnicity and gender Jorge Duany author of *The Puerto Rican Nation on the Move* Identities on the Island and in the United States In this fresh textured original multi sited ethnography Perez traces the changing ways that Puerto Ricans have experienced poverty displacement and discrimination and how they imagine and build deeply rooted but transnational lives through the extended families dense social networks and meaningful communities Perez exposes the limits of citizenship for racialized minorities the contradictory constrained agency in community mobilizations and urban uprisings and the often failed promise of transnational migration as a place to build a counter hegemonic political space Brett Williams Professor of Anthropology American University This is a fascinating account of transnational migration as survival strategy one bound up in kin region and economic restructuring Vicki L Ruiz author of *From Out of the Shadows* **The Near Northwest Side Story** Gina M. Perez, 2000 *The Cambridge Companion to Queer Studies* Siobhan B.

Somerville, 2020-06-11 This Companion provides a guide to queer literary and cultural studies introducing critical debates in the field and an overview of queer approaches to various genres **Latino Voices in New England** David Carey Jr., Robert Atkinson, 2010-03-30 Latinos those born in the United States as well as those who immigrated later in life are not only transforming the country and cities they are also transforming themselves in a difficult process of community making This book tells the story of how a diverse group of immigrants have adapted to dramatic changes in the largely Anglo setting of Portland Maine building bridges instead of walls The Latino storytellers included here address multiple challenges of discrimination language barriers cultural retention and adaptation and speak of their strengths strong family ties a connection to the environment and an expanding sense of home to illustrate how they have emerged not only with hopes and dreams intact but also with a resilience built upon fluid and flexible identities **Writing Kit Carson** Susan Lee Johnson, 2020-10-28 In this critical biography Susan Lee Johnson braids together lives over time and space telling tales of two white women who in the 1960s wrote books about the fabled frontiersman Christopher Kit Carson Quantrille McClung a Denver librarian who compiled the Carson Bent Boggs Genealogy and Kansas born but Washington D C and Chicago based Bernice Blackwelder a singer on stage and radio a CIA employee and the author of Great Westerner The Story of Kit Carson In the 1970s as once celebrated figures like Carson were falling headlong from grace these two amateur historians kept weaving stories of western white men including those who married American Indian and Spanish Mexican women just as Carson had wed Singing Grass Making Out Road and Josefa Jaramillo Johnson's multilayered biography reveals the nature of

relationships between women historians and male historical subjects and between history buffs and professional historians It explores the practice of history in the context of everyday life the seductions of gender in the context of racialized power and the strange contours of twentieth century relationships predicated on nineteenth century pasts On the surface it tells a story of lives tangled across generation and geography Underneath run probing questions about how we know about the past and how that knowledge is shaped by the conditions of our knowing     **Brown in the Windy City** Lilia Fernández,2014-07-21

Brown in the Windy City is the first history to examine the migration and settlement of Mexicans and Puerto Ricans in postwar Chicago Lilia Fernández reveals how the two populations arrived in Chicago in the midst of tremendous social and economic change and in spite of declining industrial employment and massive urban renewal projects managed to carve out a geographic and racial place in one of America's great cities Through their experiences in the city's central neighborhoods over the course of these three decades Fernández demonstrates how Mexicans and Puerto Ricans collectively articulated a distinct racial position in Chicago one that was flexible and fluid neither black nor white     Reports: Reports of Metcalf & Eddy, consulting civil engineers, upon the Water Department, the sewer division of the Street Department, and miscellaneous matters Massachusetts.
