Near To My Heart An American Dream:

What Happened to My American Dream? Stefan Adam, 2007-04 For millions of people seeking better lives the ideal we call The American Dream continues to be the ultimate goal At an early age author Stefan Adam longed for freedom in America far away from the crushing rule of communism in his native Romania After years of struggle and sacrifice Stefan realized his dream of coming to America and building that dream This true story unfolds through good times and bad with insightful observation of American society and a never ending desire to understand what makes it great its people culture and politics The story begins on the shores of Romania s Black Sea where 12 year old Stefan first dreams of finding freedom and a better life in America far away from the dark clutches of communism Years later that dream blossoms along with Stefan s love for his high school sweetheart and future wife Michaela Together they embark on a journey to make their American Dream come true and after years of hard work that dream comes into a full blossom Readers who come along for the ride will experience the wonder and awe of discovering America through their eyes But as time goes by the promise of that dream begins to fade Could it be that corporate greed and political arrogance were eroding the foundation on which this great nation was built Is this another Roman Empire a great civilization doomed to fall under the weight of its own power greed and corruption Their struggles exemplify what it means to fight for freedoms that are so often taken for granted and never to give up hope because in the end it is not just the story of Stefan and Michaela s American Dream It s everyone s American Dream to nurture and protect *What Happened To My American Dream* is a very personal story of hopes and dreams and what happens when those dreams are threatened Told in a straightforward conversational style is a touching tale that anyone who has ever longed for a better life will easily relate to It is written by an ordinary citizen who came to this country under extraordinary circumstances *What Happened To My American Dream* serves as a reminder that safeguarding the American Dream is the responsibility of everyone who has the privilege of calling this great country home *Tensions in the American Dream* Melanie E L Bush, Roderick Bush, 2015-01-16 Could the promise of upward mobility have a dark side In *Tensions in the American Dream* Melanie and Roderick Bush ask how does a nation of immigrants pledge inclusion yet marginalize so many citizens based on race class and gender The authors consider the origins and development of the U S nation and empire the founding principles of belonging nationalism and exceptionalism and their lived reality *Tensions in the American Dream* also addresses the relevancy of nation to empire in the context of the historical world capitalist system The authors ask is the American Dream a reality only questioned by those unwilling or unable to achieve it What is the good life and how is it particularly American *My Heart Is a Drunken Compass* Domingo Martinez, 2014-11-18 With his trademark tragic comical voice and arresting storytelling Domingo Martinez once again delivers a deeply personal memoir full of wry asides and poignant thoughtful reflections in his new book *My Heart Is a Drunken Compass* His first book shockingly ended with his fianc Stephanie plummeting off the side of an overpass in Seattle after having a seizure while driving He now

chronicles this painful episode in his life with flashbacks to their tenuous romantic relationship and how her accident and subsequent coma ultimately causes him to unravel emotionally This pivotal moment which began with an alarming call in the middle of the night parallels another gut wrenching experience from the past when his youngest brother s life hangs in the balance Martinez once again brilliantly examines the complicated connections between family friends and loved ones Feeling estranged from his family in Texas over the years isolated and alone in Seattle he turns to writing as a therapeutic tool The underlying themes of addiction and recovery and their powerful impact on family dynamics also emerge within the narrative as he struggles with his inner demons These two traumatic life events actually bring Martinez closer to the family that he has in many ways spend years trying to deny strengthening their bonds and healing old wounds When Martinez falls apart completely he finds his family his redemption and a new beginning with the love of his life who encourages him to write his way out of the pain in order to save his own life

My Heart Is an Idiot Davy Rothbart,2012-09-04 Davy Rothbart is looking for love in all the wrong places Constantly He falls helplessly in love with pretty much every girl he meets and rarely is the feeling reciprocated Time after time he hops in a car and tears across half of America with his heart on his sleeve He s continually coming up with outrageous schemes which he always manages to pull off Well almost always But even when things don t work out Rothbart finds meaning and humor in every moment Whether it s humiliating a scammer who takes money from aspiring writers or playing harmless but side splitting goofs on his deaf mother nothing and no one is off limits But as much as Rothbart is a tragically lovable irresistibly brokenhearted hero it s his prose that s the star of the book In the tradition of David Sedaris and Sloane Crosley but going places very much his own his essays show how things that are seemingly so wrong can be so so right
