## Ned Rorem:

**A Ned Rorem Reader** Ned Rorem, 2001-01-01 Ned Rorem composer and writer is both a gifted memoirist and one of our most acerbic cultural commentators. This anthology of his musings on music people and life surveys the full range of his literary achievement and reflects the evolution of his sensibilities. The first part of the book is devoted to writing of an autobiographical nature including ruminations on being alone and on becoming a composer. The second part focuses on music and individuals from Bartók and Ravel to Edith Piaf and the Beatles. The final part consists of portraits and memorials of such figures as Martha Graham, Paul Bowles, Marc Blitzstein, Frank O'Hara, Allen Ginsberg, and Truman Capote. The book also includes a lengthy conversation on the art of the diary. *Songs of Ned Rorem* Ned Rorem, 1978 *Ned Rorem* Ned Rorem, 1995 *Ned Rorem* Arlys McDonald, 1989-06-26 As a composer and as an author Ned Rorem occupies a position of considerable influence and importance in American music. His numerous musical works are performed frequently and his critical writings offer unmatched insights into contemporary music. This bibliography will serve as an important resource for those seeking more information about this distinguished American composer and his works. The book is divided into four sections: a brief biography, a complete list of works and performances, a discography of commercially produced sound recordings, and a bibliography of writings by and about Ned Rorem. The list of works and performances includes Rorem's plays and books, works in preparation, and his musical compositions. The latter are classified by genre and arranged alphabetically within each category. Each entry provides as much information as possible about the date of composition and publication, publisher, duration, medium of performance, literary source, commission, dedication, and dates of the premiere and subsequent performances. A directory of publishers and their addresses is also provided. Citations in the discography are arranged by label and number and include contents, performers, date of issue, and album title. The bibliographical section includes annotations or brief quotations from the cited item. Three appendixes complete the work. The first provides an alphabetical listing of Rorem's compositions, including individual songs in cycles, distinctive subtitles, working titles, and titles of unpublished works. Appendix II is a chronological list of compositions, and Appendix III provides a list of the literary sources for Rorem's works. This unique reference tool belongs in all music reference collections. **Ned Rorem** Ned Rorem, *Songs of Ned Rorem* Ned Rorem, 2000 **Ned Rorem and His Songs** Sharon A.
