**Neglected Poems and Other Creatures** Barry Humphries, 1991 Collection of previously unpublished poems including some by the author's famous stage characters Sir Les Patterson Dame Edna Everage and Barry Mackenzie Some of them were previously published in magazines such as *TPRivate Eye* and *TQuadrant*      **A Portrait of the Artist as Australian** Paul Matthew St. Pierre, 2004 This book is the first critical assessment of Humphries' entire oeuvre especially his career as an author Arguing that Humphries is one of Australia's greatest writers the author reveals a multi-faceted artist whose success is rooted in the British music hall tradition Dadaism and grotesquerie Being Australian has also fundamentally shaped the performer and writer and the author's defence of Humphries against charges of expatriatism is pertinent to the debate on Australian national identity      *The Ancient Guild of Tycoons* Matthew Condon, 1994 Brucey Bird is the tycoon administrator of an island whose idyllic landscape thinly conceals the shiploads of debris dumped on its shores Matthew Condon's bizarre imagination creates a wittily pertinent fable of Australian history      *The Forgotten Fifties* John Murphy, Judith Smart, 1997 Some of Australia's leading historians present new perspectives on social and cultural life in the 1950s The 1950s is usually treated in the popular media as a metaphor for an Australia that was complacent monocultural banal and domesticated On the other hand historical writing about the decade has long been dominated by accounts of political and foreign policy conflict the Labor Split the Cold War and the seemingly endless long summer of Robert Menzies This collection assembles some of Australia's leading historians to present new perspectives on the 1950s Focusing on social and cultural themes they reveal a decade full of contradictions which belie the common simplistic accounts of the time Ranging from the education of the young Barry Humphries to the idea of an Australian identity in the lead up to the 1956 Olympics these essays also include the personal recollections of three leading historians providing a lively and critical insight into the Australia of the period Drawing out themes such as style sexuality modernism the suburbs travel writing and immigrant assimilation the authors excavate the experience of everyday life and the attitudes that characterised the 1950s They present a past that despite having shaped our lives continues to be disputed in contemporary Australia      **The Oxford Book of Modern Australian Verse** Peter Porter, 1998 The noted Australian poet Peter Porter has produced an anthology of modern Australian poetry commencing in 1945 Almost 130 are represented from the great names of the 1950s and 1960s to the youngest generation of Australian poets      **Australian Books in Print 1999** K G Saur Books, 1999-04 Excellent coverage essential to worldwide bibliographic coverage *American Reference Books Annual* This comprehensive reference provides current finding ordering information on more than 123 000 in print books published in Australia You'll also find brief profiles of more than 12 000 publishers distributors whose titles are represented as well as information on trade associations local agents of overseas publishers literary awards more From Thorpe      *The Oxford Companion to Australian Literature* William Henry Wilde, Joy W.
