Service Reform Act of 1978 hereinafter the Act A brief examination will be made of federal sector negotiability prior to  
codification of federal collective bargaining in the Act The relevant statutory provisions governing negotiability will be set  
forth and surveyed The decisions and policies of the Federal Labor Relations Authority hereinafter the Authority and court  
decisions will be examined This paper will examine the tests that the Authority utilizes to determine whether a proposal is  
negotiable and whether these tests provide meaningful guidance to federal agencies and the exclusive representatives of  
federal employees Several specific subject areas will be examined to provide the reader with insights into how negotiability
