

Neill Of Summerhill

William Ayers

Neill Of Summerhill:

Summerhill School A. S. Neill, 1995-09-15 Originally published in 1960 Summerhill became an instant bestseller and a classic volume of education for an entire generation Now this thoroughly expanded and revised version of the original Summerhill reinstates the revolutionary free school traditions begun by Summerhill s founder A S Neill As American education lags behind the rest of the world this new edition is more timely than ever The children of today face struggles far greater than any previous generation and we as parents and teachers must teach them now to make choices for themselves and to learn from the outcome of their decisions This classic work yet again invites a new view of childhood and presents an essential treatise that challenges us to rethink our approach to education **Neill of Summerhill** Jonathan Croall, 1983

Neill of Summerhill (Routledge Revivals) Jonathan Croall, 2013-09-13 A S Neill was arguably the most famous child educator of the twentieth century He was certainly the most controversial All over the world countless parents and teachers have been shocked delighted or inspired by his subversive ideas about education or by a visit to that dreadful school which continues to this day Summerhill First published in 1983 this sympathetic but critical exploration of his iconoclastic ideas and personality is the result of interviews with two hundred ex pupils parents and teachers about life at Summerhill and of the practicality of Neill s philosophy about child freedom Jonathan Croall has also drawn on many unpublished letters and documents which help to illuminate Neill s personal struggles and his analysis and friendship with Homer Lane Wilhelm Stekel and Wilhelm Reich The result is a fascinating and revealing portrait of a remarkable man who in his absolute determination to be on the side of the child remained in permanent opposition to the adult world **Summerhill** Alexander Sutherland Neill, Erich Fromm, 1960 The author records his unique opinions on child rearing and education as practiced in the experimental school called Summerhill he has run in England for forty years **Talking of Summerhill, by A.S. Neill** Alexander Sutherland Neill, 1967 **Summerhill 1883-1973** Neill, 1961 **On the Side of the Child** William Ayers, 2003 A S Neill s radical approach to child rearing is as controversial today as it was in 1960 Neill s code of freedom emphasized the principles of freedom love and positive discipline in the care and education of children These ideals continue to evoke admiration by many who have found them key to not only raising healthy happy children but also to stemming the tide of violence in our schools and society Others dismiss these same principles for being idealistic at best and harmful at worst In this wonderful account Bill Ayers speaks as a parent and an educator who has spent years in the classroom experimenting with Neill s progressive approach While Ayers admits to being a long time fan of Neill s he also admits that Neill s techniques sometimes seemed more than a little loony when they first appeared It is Ayers s honest straightforward approach that makes his treatment of Neill so valuable and relevant to how we treat and raise our children today This vital and unique volume is a great read for parents teachers and anyone considering alternative visions for raising children and overcoming violence in today s society It also features key sections from the original text of Summerhill A Radical Approach to Child

Rearing that Ayers identifies as critical to understanding Neill's philosophy William Ayers dialog with A S Neill is particularly important at this time when high stakes testing and an obsession with stigmatizing children as ADD or Hyperactive is a substitute for treating students as respected citizens of their schools Neill and Ayers understand the importance of choice voice and respect in the lives of adolescents and they honor and celebrate it From the Series Foreword by Herb Kohl Bill Ayers a creative and insightful educator begins where A S Neill left off by challenging us to think outside the box and push for true freedom and democracy in our schools This book is a must read not only for educators but also for professionals and parents who care about children and for whom building a truly humane and just society is paramount Jane R Hirschmann Chair NYS Parents Coalition to End High Stakes Testing *Neill & Summerhill* John Walmsley,A... S. Neill,1970

Summerhill And A S Neill Vaughan, Mark,2006-03-01 Summerhill remains unique and different its underlying principles and its founding beliefs have informed and influenced generations of teachers in both sectors It will continue to do so Professor Tim Brighouse Commissioner for London Schools Summerhill is a world renowned school in England where pupils decide when and what they will learn The school was established in 1921 by A S Neill who was named by the Times Educational Supplement in 1999 as one of the twelve most influential educators of the 20th Century Known as the oldest children's democracy in the world Summerhill allows pupils to air their views propose new school rules and construct future plans for life at the school at the regular school meeting This unique book contains key extracts from Neill's classic text Summerhill a worldwide bestseller since its publication in 1962 and features contributions from A S Neill's daughter Zoe Neill Readhead who is the current Principal She updates the story of the school larger and more vibrant than ever before from Neill's death in 1973 to the present day In his contribution Tim Brighouse discusses some of the ways in which the influence of Summerhill and A S Neill still extends throughout the world today Ian Stronach who acted as expert witness during the infamous court case tells the story of the British Government's attempt to force untenable changes or close down the school in 2001 and the school's subsequent landmark victory in the Royal Courts of Justice The book offers a truly inspiring account of a remarkable school which promotes progressive change in the way pupils are taught and shows how real experiences of democracy can be created for young people It is essential reading for teachers and trainee teachers headteachers and school leaders local education authorities and parents *Celebrating a Century* Summerhill School,2018

All the Best, Neill Alexander Sutherland Neill,1983 A S Neill founder of Summerhill the most admired and most feared of all progressive schools was famous as a schoolteacher educational reformer and author of illuminating and stylish books about education and the mind of the child But few people know he was also a dedicated prolific uninhibited witty and often mischievous letter writer This selection of gems has been chosen from hundreds of his letters by his biographer **Neill & Summerhill** John Walmsley,1970 **children's freedom** ray hemmings,1973 **A. S. Neill** Richard Bailey,2013-07-18 A S Neill was probably the most famous school teacher of the twentieth century His school Summerhill founded in 1921

attracted admiration and criticism from around the world and became an emblem of radical school reform and child centred education Neill claimed that he was a practical man but this book reveals that Summerhill expresses a comprehensive and distinctive set of ideas Whether he wanted to be or not Neill was an important educational thinker with a powerful influence on current educational approaches and philosophy A S Neill is the first book to examine this philosophy of education in detail It begins by showing how Neill s fascinating life story gives clues to the origin of his ideas and why they mattered so much to him It goes on to explore the main themes of his philosophy showing how they relate to the work of other great educational thinkers and how they are novel It also discusses whether there are lessons that could and should be learned by other schools from the original alternative free school of Summerhill **A S Neill** ,2025 A Dominie's Log Alexander Sutherland Neill,2022-09-04 In A Dominie s Log Alexander Sutherland Neill offers a compelling account of his transformative experiences as the headmaster of a progressive school in Scotland The book artfully blends personal narrative with philosophical reflections on education showcasing Neill s avant garde pedagogical methods that prioritize child centered learning over traditional rote instruction His literary style is both engaging and contemplative marked by rich evocative language and a keen sense of humor Set against the backdrop of early 20th century educational reform the work stands as a crucial commentary on the potential of liberated education advocating for an environment where children can thrive emotionally and intellectually Neill a pioneering figure in the progressive education movement founded Summerhill School in 1921 deeply influencing his philosophical approach to teaching and learning His staunch belief in the importance of allowing children autonomy and self governance stems from a rich personal history marked by both his own experiences in conventional schooling and a fervent desire to cultivate independent thinkers who embrace their individuality Neill s vibrant anecdotes from his time at Summerhill provide invaluable insights into his educational philosophy and deep commitment to nurturing the spirit of youth Readers seeking a profound exploration of educational philosophy societal norms and the joys of childhood will find A Dominie s Log to be an enlightening read Neill s unapologetic advocacy for a child centered approach inspires educators parents and anyone interested in the ethical dimensions of teaching This book is not only a historical document but a timeless reflection on the power of freedom in learning making it essential for those committed to fostering creativity and authenticity in education Summerhill ,1973 Summerhill. Neill Alexander Sutherland Neill,1968 Neill and Summerhill John Walmsley,1969 **Summerhill** Alexander Sutherland Neill,1968 Summerhill has been taken by A S Neill from four of his earlier books and is now edited with new material Back cover

Neill Of Summerhill Introduction

In the digital age, access to information has become easier than ever before. The ability to download Neill Of Summerhill has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Neill Of Summerhill has opened up a world of possibilities. Downloading Neill Of Summerhill provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Neill Of Summerhill has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Neill Of Summerhill. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Neill Of Summerhill. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Neill Of Summerhill, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Neill Of Summerhill has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
