**NEO-TECH** means *new techniques* or *new technology* for gaining previously unknown advantages that generate power, prosperity, and romantic love. ...Neo-Tech is *fully integrated honesty*.

**NEOCHEATING** means *new cheating* for usurping advantages or values earned by others. Actually, clever people have used neocheating for 3000 years as an unnoticed way to usurp a living from others. But its techniques were not identified until the 1980's. Thus, neocheating is a *new identification*. Before that identification, no one could identify or even define a neocheater, much less stop his or her neocheating. Now, anyone with Neo-Tech knowledge can easily spot neocheaters and then render them impotent. ...With Neo-Tech, neocheaters are doomed.
