Communication in the Jewish Diaspora Menahem Blondheim, Hananel Rosenberg, 2020-09-16 The Jewish diasporic experience stands out in its remarkable scope duration and cohesiveness Communication is the dynamic mechanism that negotiates the interplay of these factors hence this volume on Jewish Diasporic Communications The Jewish Diaspora is unique in another way too through most of their exilic experience Jews did not have a geographical center to which they could orient themselves The perspective guiding this volume is that the center of the Jewish Diaspora has been the communicative network linking its scattered communities in space and the media serving its continuity through historical time This Diasporic network has sustained a common flow of shared content between Jews and Jewish communities let alone the imagination of connectedness Thus Diaspora Jews as Jews and the People they comprise existed to invoke John Dewey in communication The studies in this volume spanning antiquity and modernity and crossing disciplinary boundaries provide together a broad ranging and in depth account of how a People can survive for millennia without a homeland but in communication

Rabbis, Sorcerers, Kings, and Priests Jason Sion Mokhtarian, 2015-09-01 Rabbis Sorcerers Kings and Priests examines the impact of the Persian Sasanian context on the Babylonian Talmud perhaps the most important corpus in the Jewish sacred canon What impact did the Persian Zoroastrian Empire as both a real historical force and an imaginary interlocutor have on rabbinic identity and authority as expressed in the Talmud Drawing from the field of comparative religion Jason Sion Mokhtarian addresses this question by bringing into mutual fruition Talmudic studies and ancient Iranology two historically distinct disciplines Whereas most research on the Talmud assumes that the rabbis were an insular group isolated from the cultural horizon outside their academies this book contextualizes the rabbis and the Talmud within a broader sociocultural orbit by drawing from a wide range of sources from Sasanian Iran including Middle Persian Zoroastrian literature archaeological data such as seals and inscriptions and the Aramaic magical bowl spells Mokhtarian also includes a detailed examination of the Talmud's dozens of texts that portray three Persian others the Persians the Sasanian kings and the Zoroastrian priests This book skillfully engages and demonstrates the rich penetration of Persian imperial society and culture on the Jews of late antique Iran

New Discourses in Medieval Canon Law Research , 2019-04-09 New Discourses in Medieval Canon Law Research offers a new narrative for medieval canon law history which avoids the pitfall of teleological explanations by taking seriously the multiplicity of legal development in the Middle Ages and the divergent interests of the actors involved The contributors address the still dominant master narrative mainly developed by Paul Fournier and enshrined in his magisterial *Histoire de collections canoniques* They present new research on pre Gratian canon collection Gratian's *Decretum* decretal collections but also hagiography theology and narrative sources challenging the standard account a separate chapter is devoted to Fournier's model and its genesis New Discourses thus brings together specialized research and broader questions of who to write the history of church law in the Middle Ages Contributors are Greta Austin
