

# How to Write a Fantasy Series: Do's and Don'ts

## Don't

### Be unoriginal with fantasy tropes

What makes your world or mythical creatures unique?

### Use clichés without your own twist

A portal's working should be credible for your world.

### Use stock characters with no detail

Avoid blank hero-orphans or endlessly wise and capable, staff-carrying wizards.

## Do

### Make tropes your own

E.G. J.K. Rowling makes broomsticks sports equipment.

### Update clichéd plot devices

Rowling's portal is an ordinary, real-world train station.

### Make characters believable

Give each character motivations, goals, strengths, fears and flaws. Even Gandalf makes mistakes.
