Cerberus Graham Pryor,2024-01-05 Rescued from the horrors of an animal research laboratory the mastiff Garth discovers that his new freedom comes with certain obligations Released into a new world where the Grey Men have gifted the Canidae the power of speech and higher consciousness he persuades the rest of his adoptive pack that they must help the aliens complete their mission to unmake the human species In the course of doing this Garth discovers much about the true nature of his relationship with the Grey Men including that his own future is not as liberated as he first imagined On Garth's journey of discovery he is accompanied by a colourful assortment of canine companions whose adventures celebrate the richness of personalities in the canid community as they struggle to understand the implications of their new capabilities One major difference between them and the humans becomes starkly evident by the end of this remarkable tale *Monty* Alistair Horne,David Montgomery,1994 In Monty The Lonely Leader 1944 1945 Alistair Horne one of England's most brilliant military historians has collaborated with Montgomery's only son to provide a candid and fascinating intimate profile of the legendary general A controversial and enigmatic Allied leader during World War II Bernard Law Montgomery is probably best known for his victory over Rommel at El Alamein in North Africa for which he was later knighted and for the major role

he played in the subsequent invasions of Italy France and Germany For this study Horne and David Montgomery have focused primarily in the last twelve months of the war beginning with the invasion of Normandy in June 1944 and ending with Germany s surrender the following May The authors followed Montgomery s route across Europe visiting every spot where he located his headquarters They talked to the surviving members of the small group of young aides who served under Monty they drew on previously unpublished letters and diaries and they referred to the writings of Monty s peers and to official reports Finally they analyze Monty s military decisions criticisms that he was overly cautious and slow and the arrogance and prickly personality that so alienated many of his American and British colleagues Monty The Lonely Leader 1944 1945 goes a long way toward explaining not only Monty s approach to war but why and when it succeeded or failed BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Fate Cannot Harm Me** J.C.
