## **Moore Of Corunna:**

*Moore of Corunna* Roger Parkinson,1976 Of all British generals who claim the admiration of future generations Sir John Moore perhaps most truly embodies the ideal of the perfect leader His courage tactical brilliance decisiveness incorruptibility and gift for firing the spirits of his men in battle were combined with a conscientious regard for the authority of his government at home even when its dictates were at odds with his own sense of military realities Roger Parkinson portrays with a vitality that matches his subject Moore s extraordinary career from the first taste of action against the rebel in America to his early personal triumphs against the French in Corsica Holland and Egypt Then came the clouds of controversy Moore s involvement in uneasy and dangerous relationships with local authorities in Corsica Sicily and Sweden brought criticism as well as fame and foreshadowed the tragic role he would play in the Peninsular War The desperate retreat to Corunna and the last heroic stand against Napoleon s armies are movingly and dramatically told Dominating the tumult of events and intrigues is the character of a man in whom exertions amongst dangers and difficulties is preferred to idleness whose private feelings were subordinated to loyalty to his country and the passionate love of his profession a restrained eighteenth century gentleman who gave a captured French commander his own sword to make him feel more comfortable and who continued to ask as the last life ebbed from his body Are the French beaten Dust jacket [Corunna 1809](#) Brian L. Kieran,2011-04-04 Dr Brian Kieran has shed more light on Sir John Moore and his heroic retreat during 1808 1809 through the Galicia Mountains in the middle of Winter to Corunna in Spain The tragic events of the retreat are graphically described leading to the sombre death of Sir John Moore at the moment of Victory The one British Army of the time escaped through their evacuation from Corunna from Napoleon and ultimately his Marshals Moore s skilful campaign caused Napoleon to return to Paris as he could not bear the thought of being defeated or outrun by the More s military skill Moore s death occurred at the height of the battle at Corunna and he was aware of the victory before he died a painful death More s death gave rise to the composition of a number of poem s yet the most famous was written by an Irishman in England it became a children s Memorial to a Great Man But he lay like a warrior taking his rest With his martial cloak around him Moore could have been given no greater honour at that time when Soult ordered the firing of a salute of Cannon [With Moore at Corunna](#) George Alfred Henty,1898 [With Moore at Corunna](#) G. Somehow Moore held his outnumbered exhausted men together as they struggled to reach safety Finally at Corunna Moore s army turned to face its tormentors **With Moore at Corunna (Classic Reprint)** G. A. Henty,2015-07-13 Excerpt from With Moore at Corunna Still in spite of this British genius and valour triumphed over all difficulties and Wellesley delivered Lisbon and compelled the French army to surrender Then again Moore by his marvellous march checked the course of victory of Napoleon and saved Spain for a time Cradock organized an army and Wellesley hurled back Soult s invasion of the north and drove his army a dispirited and worn out mass of fugitives across the frontier and in less than a year from the commencement of the campaign carried the war into Spain So far I have endeavoured to sketch the course of these events in the present volume But the whole course of the Peninsular War was far too long to be condensed in a single book except in the form of history pure and simple therefore I have been obliged to divide it into two volumes and I propose next year to follow up the adventures of my present hero who had the good fortune with Trant Wilson and other British officers to attain the command of a body of native irregulars acting in connection with the movements of the British army About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

With Moore at Corunna G. A. Henty, 2014-05-18 What am I to do with you Terence It bothers me entirely there is not a soul who will take you and if anyone would do so you would wear out his patience before a week s end there is not a dog in the regiment that does not put his tail between his legs and run for his bare life if he sees you and as for the colonel he told me only the other day that he had so many complaints against you that he was fairly worn out with them That was only his way father the colonel likes a joke as well as any of them Yes when it is not played on himself but you haven t even the sense to respect persons and it is well for you that he could not prove that it was you who fastened the sparrow to the plume of feathers on his shako the other day and no one noticed it till the little baste began to flutter just as he came on to parade and nigh choked us all with trying to hold in our laughter while the colonel was nearly suffocated with passion It was lucky you were able to prove that you had gone off at daylight fishing

and that no one had seen you anywhere near his quarters By my faith if he could have proved it was you he would have had you turned out of the barrack gate and word given to the sentries that you were not to be allowed to pass in again I could have got over the wall father the boy said calmly but mind I never said that it was I who fastened the sparrow in his shako Because I never asked you Terence but it does not need the asking What I am to do with you I don't know Your Uncle Tim would not take you if I were to go down upon my knees to him You were always in his bad books and you finished it when you fired off that blunderbuss in his garden as he was passing along in the twilight and yelled out Death to the Protestants The boy burst into a fit of laughter How could I tell that he was going to fall flat upon the ground and shout a million murders when I fired straight into the air Well you did for yourself there Terence Not that the old man would ever have taken to you for he never forgave my marriage with his niece still he might have left you some money some day seeing that there is no one nearer to him and it would have come in mighty useful for you are not likely to get much from me But we are no nearer the point yet
