Moral Choices:

Moral Choices Scott B. Rae,2000 Rae's Moral Choices helps readers navigate the rough waters of today's ethical dilemmas assisting them in making decisions and judging right from wrong both as individuals in terms of society. He explores such issues as abortion reproductive technologies euthanasia capital punishment war and sexuality. Includes a chapter on genetic technologies and human cloning. **Moral Choices** Scott B. Rae,2009 Now in its third edition this foremost college ethics text helps students form a basis for practical ethical decision making in contemporary culture. Substantial updates and revisions include a new chapter on ethics and economics online resources for instructors current case studies new material on bioethics and stem cell research and more. **Moral Choices** Scott Rae,2018-10-16 Outlining the distinctive elements of Christian ethics Moral Choices is the standard text for college ethics courses. Moral questions are at the core of life's most vital issues. But today we see a breaking down of humanity's ability to distinguish between right and wrong. After describing a seven step procedure for thinking through ethical dilemmas author Scott Rae uses case studies to address some of today's most challenging ethical and social issues. He guides students in thinking critically and biblically about issues including Abortion Euthanasia Capital Punishment Sexual Ethics War Technologies including reproductive and genetic Ethics and Economics Creation Care and Animal Rights Gun Control Race Gender and Diversity Immigration Refugees and Border Control. This book also introduces other ethical systems and their key historical proponents including Plato Aristotle Augustine Thomas Aquinas and Immanuel Kant. With its unique union of theory and application and its well organized easy to use design the fourth edition of Moral Choices also offers extensive updates revisions and three brand new chapters all designed to help students develop a sound and current basis for making ethical decisions in today's complex postmodern culture. FEATURES Relevant Case Studies throughout Discussion questions at the end of each chapter Sidebars with case studies for discussion Recommended further reading. **Moral Choices** Joseph Grčić,1989 **Introducing Christian Ethics** Scott Rae,2016-08-16 Introducing Christian Ethics helps Christians form a sound basis for making ethical decisions in today's complex postmodern world. Raising 14 key ethical questions on today's most pressing issues including abortion war sexual ethics capital punishment and more. Scott Rae guides his readers in making moral choices wisely. Based on the best selling college and seminary ethics textbook Moral Choices this book distills nearly two decades of teaching and study into a succinct and user friendly volume. It is an ideal primer for pastors students and everyday Christians who desire engagement with the world around them in an intelligent and informed manner. Teaching and study resources for the book including additional video clips based on the questions corresponding to each chapter make it ideal for use in the classroom as well as for pastors and for teaching settings within the church. Doing the Right Thing Scott Rae,2013-11-26 According to author Scott B Rae in Doing the Right Thing our culture is in an ethical mess because we've neglected moral training and education. This book proposes that there is such a thing as moral

truth that it can be known and that it can be put into practice Looking specifically at the areas of medicine the marketplace public life education and the family Rae shows how foundational ethical principles can guide you in making moral day to day decisions Informed by Scripture and calling for a renewed understanding of the importance of the Christian faith in moral training Doing the Right Thing issues a call for cultivated virtue that can bring about both better lives and a better society You will find yourself examining the ways in which ethical and character issues relate to your life As a result you will be better equipped to promote virtue in your own spheres of influence and the culture at large

Summary of Scott B. Rae's Moral Choices Everest Media,2022-05-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The question of why be moral is fundamental to understanding ethics Most people associate doing well in life with being a good person and being moral is critical to a person's flourishing in life 2 Ethics are crucial because moral questions are at the heart of life's vital issues Morality is fundamental to politics medicine and the sciences It is also important because it provides the basis for making moral choices 3 There is a greater emphasis on character in today's society and ethics helps determine which character traits are admirable and worth cultivating But many people are beginning to question whether there is such a thing as genuine moral knowledge 4 The most critical and foundational element of ethics is the direction that God provides both in his Word and outside his Word I believe that morality ultimately stems from the character of God

Pro-Choice and Anti-Abortion James R. Bowers,1994-06-30 Bowers argues that when correctly interpreted and applied the Constitution and the theory of liberty on which it is based require government to reject the conventional pro choice and anti abortion perspectives as too extreme and incomplete Instead this book sets forth a position that government is constitutionally obligated to approach abortion policy from a middle perspective Relying on a jurisprudence of original theory Pro Choice and Anti Abortion forcefully asserts that government is constitutionally constrained to formulate abortion policy that is at once pro choice and anti abortion In so arguing this book walks readers through this constitutionally mandated middle position by introducing them to the liberal teachings of John Locke that were so influential to the framers of the Constitution and by applying this political theory to the major issues of the abortion controversy including the individual liberty interest in the abortion decision minors and abortions the liberty interest of the fetal being and the Freedom of Choice Act

Making Moral Decisions Louis O. Kattsoff,2012-12-06 *Free Will and Values* Robert Kane,1985-11-01 This book shows how two topics of longstanding philosophical interest free will and value relativism are connected in unsuspected ways The ancient doctrine that all values are relative provides clues needed to resolve some important philosophical problems about free will One of these problems concerns theories that deny the compatibility of free will and determinism it is often said that such incompatibilist theories involve obscure conceptions of agency and are essentially mysterious The book answers this charge by developing in greater detail than has ever been attempted before an incompatibilist theory of freedom consistent with current scientific evidence avoiding all appeals to

obscure or mysterious forms of agency This theory exploits neglected clues in the history of philosophy about free will and action objectivity and relativism in ethics and about the foundations of liberalism in political theory **The Triadic Structure of the Mind** Francesco Belfiore,2014-05-23 In The Triadic Structure of the Mind Francesco Belfiore begins from the basic ontological conception of the structure and functioning of the mind or spirit as an evolving conscious triad composed of intellect sensitiveness and power each exerting a selfish or moral activity Based on this concept Belfiore has developed a coherent philosophical system through which he offers fresh solutions in the fields of ontology knowledge language aesthetic ethics politics and law The second edition of the book includes a more extensive treatment of the topics addressed in the first edition the introduction of new concepts and the inclusion of additional thinkers whose views have been discussed and reinterpreted

Moral Choices for Our Future Selves Eleonora Vigàò,2022-06-28 This book investigates the relationship between our present and future selves It focuses specifically on diachronic self regarding decisions choices involving our earlier and later selves in which the earlier self makes a decision for the later self The author connects the scientific understanding of the neurobehavioral processes at the core of individuals perceptions of their future selves with the philosophical reflection on individuals moral relationship with their future selves She delineates a descriptive theory of the perception of the future self that is based on empirical evidence and that systematizes and integrates the current theoretical literature She then argues for the morality of prudence and interprets diachronic self regarding decisions as decisions between two agents the earlier and later selves that belong to the realm of intergenerational ethics which regulates the relationship between contemporary people and future generations Finally the author provides a moral theory of prudence based on respect for one's agency This theory identifies what the present and the future selves owe to one another in diachronic self regarding decisions **Moral Choices for Our Future Selves** will be of interest to scholars and students working in ethics moral psychology philosophy of mind and cognitive science

The Ontological Foundation of Ethics, Politics, and Law Francesco Belfiore,2013-03-25 The revised edition of The Ontological Foundation of Ethics Politics and Law adds new concepts and discusses the views of additional thinkers The author refers to his basic ontological conception of the human mind or spirit as an evolving conscious triadic entity composed of intellect sensitivity and power each exerting a bidirectional selfish and moral activity Through this approach the notions of good morality society and law are derived from the structure and functioning of the mind It follows that the solutions presented are the results of a discovery and not the consequence of a choice Otherwise stated ethics politics and law are given an ontological foundation For each topic considered Belfiore shows how his thought can reinterpret the views of other philosophers This new edition enriched in concepts and quotations appears as an innovative and highly stimulating contribution to the philosophical branches of ethics politics and law and will be of interest to both graduate students and philosophy scholars

The Moral Choice Daniel C. Maguire,1979 **The Power of Ideals** William Damon,Anne Colby,2015-04-03 The Power of Ideals examines the lives and

work of six 20th century moral leaders who pursued moral causes ranging from world peace to social justice and human rights and uses these six cases to show how people can make choices guided by their moral ideals rather than by base emotion or social pressures *Doing the Right Thing Bible Study Participant's Guide* Charles W. Colson, Robert George, 2013-05-29 In this six session small group Bible study DVD digital video sold separately *Doing the Right Thing* from Chuck Colson Robert George and an all star panel examines how ethical and character issues relate to life at home school and the workplace *Doing the Right Thing* explores the ethical and moral breakdown hitting culture from all sides Through panel discussions interviews and live student questions it raises ethical issues in a non condemning but challenging way stimulating thought discussion and action This Participant Guide encourages viewers to examine themselves and how ethical and character issues relate to their lives at home school and the workplace As a result of this discussion and self examination participants will exhort each other and promote an ethic of virtue in their spheres of influence and in the culture at large This examination of ethics consists of six sessions each designed to last approximately one hour Each session consists of thirty minutes of video and thirty minutes of discussion Session topics include How did we get into this mess Is there truth a moral law we all can know If we know what is right can we do it What does it mean to be human Ethics in the market place Ethics in public life Designed for use with the *Doing the Right Thing Video Study* sold separately *Teach Your Children Well* Don S. Otis, 2000 Explains why our culture's values are morally bankrupt and offers concerned parents solid biblically based information to help them equip their children to make wise moral choices *Moral Choices Video Lectures* Scott Rae, 2016-11-22 *Moral Choices Video Lectures* a companion to the bestselling ethics textbook *Moral Choices* by Scott Rae features 12 lessons each corresponding to a chapter in the textbook The lectures provide students with an introduction to Christian ethics and equip them to form a basis for practical ethical decision making in contemporary culture *Developing Moral Imagination* Edward Stevens, 1997 The issues may change with the passing of the years but the categories of concern change very little sexuality and the sexes medical decision making justice for the poor the powerless the underclass reproductive decision making moral decision making in business and personal moral choices Stevens attempts to present alternative positions on hotly debated new moral issues from a different standpoint using an ethical pluralism approach In doing this he hopes to help readers arrive at their own non polarized positions by learning from and respecting all parties in the discussion *The Meaning of the Moral Life* Warren Nelson Nevius, 1930

Moral Choices Introduction

In the digital age, access to information has become easier than ever before. The ability to download Moral Choices has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Moral Choices has opened up a world of possibilities. Downloading Moral Choices provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Moral Choices has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Moral Choices. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Moral Choices. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Moral Choices, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Moral Choices has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
