# Moral Teachings Of Jesus

**Mary F. Foscett**

## **Moral Teachings Of Jesus:**

**The Moral Teachings of Jesus** David P. Gushee, 2024-09-10 The growing movement of post evangelicalism highlights an opportunity to elevate and center the moral teachings of Jesus So many of those who identify as Christian intuitively know that their old version of faith is no longer working and they feel a theological vacuum David P Gushee has been a leader in recent years for those ready to move on to a more examined and robust faith Now in *The Moral Teachings of Jesus* Gushee examines forty teachings of Jesus drawn from all four New Testament Gospels to clarify exactly what Jesus said about the moral life

**What Would Jesus Really Do?** Andrew Fiala, 2007-03-20 For many years many Christians have exhibited bumper stickers and wrist bands challenging themselves to live up to WWJD What Would Jesus Do Now Andrew Fiala a professor who has encountered many such students in his classes objectively assesses just what it actually is that Jesus does and doesn't say about the essential moral issues that face us today Andrew Fiala appreciates Jesus as a moral teacher with an ethical vision centered in love generosity forgiveness tolerance and peace But he argues that it is often difficult to determine exactly what Jesus would say or do about tough contemporary issues such as abortion euthanasia the death penalty war homosexuality and politics Hence Fiala believes we need to engage in philosophical reflection and critical thinking to arrive at answers to today's ethical questions that Jesus never anticipated such as those involving technology scientific discoveries ethical advances The book shows how philosophers and psychologists from Kant and Mill to Nietzsche and Freud struggled to make sense of the ethics of Jesus The book concludes by arguing that we cannot pretend that Jesus and the Bible provide all the answers to our ethical dilemmas although Jesus does provide perennial moral wisdom Thus Fiala shows that Jesus moral teachings must be filled out with contemporary ethical reflection to determine what Jesus as a moral ideal would really do today

*The Life and Morals of Jesus of Nazareth* Thomas Jefferson, 2022-08-10 In *The Life and Morals of Jesus of Nazareth* Thomas Jefferson presents a unique synthesis of the Gospels meticulously distilling the essence of Jesus's teachings while omitting supernatural elements incongruent with Enlightenment ideals Jefferson's literary style reflects a rationalist approach exhibiting clarity and precision as he seeks to reveal the moral philosophy underpinning Christianity This work emerges from the broader context of the early 19th century American Enlightenment where reason and empirical evidence began to take precedence over traditional dogma highlighting Jefferson's commitment to reasoned faith and a secular morality informed by the teachings of Jesus Thomas Jefferson the third President of the United States and a pivotal figure in the American Enlightenment was profoundly influenced by Enlightenment thought and his personal interpretations of religion His distaste for organized religion and fervent belief in reason prompted him to isolate what he deemed the true moral teachings of Jesus resulting in a text that serves as both a personal manuscript and a public statement on the vitality of ethical principles devoid of superstition This book is not simply a theological text it invites readers to engage with the ethical core of Christianity through an Enlightenment lens Scholars theologians and casual readers alike will find Jefferson's work a

unique exploration of Jesus's moral teachings rendering it a thought provoking addition to discussions of religion philosophy and ethics in contemporary society *Moral Teachings of Jesus* Mary F. Foskett, 2004 Jesus Collection Moral Teachings of Jesus Pub Date March 2004 Jesus Christ and the Civilization of To-day Joseph Alexander Leighton, 1907 **The Ethical Teachings of Jesus** Ernest DeWitt Burton, 1901 *How the Teachings of Jesus Could Save America* Jason Newcomb, 2008-05-01 This is a book for all patriots who love America and want to see this nation return to its foundations of liberty equality and opportunity for all people Like Thomas Jefferson's famous Jefferson Bible Jason Newcomb's new book examines the ethical and moral teachings of Jesus without any reference to miracles or supernatural events Newcomb's new book is even more concise confining itself to the actual words that Jesus spoke What emerges is a simple and beautiful ethical framework for a just society This is a book for Christians and non Christians alike Christians will have an opportunity to explore the teachings of Jesus in a whole new way with specific reference to the future of our culture Non Christians will get to see that the visionary doctrine of universal love which Jesus taught is a message for all people that is as relevant today as it was two thousand years ago **The Life and Morals of Jesus of Nazareth Extracted Textually from the Gospels, Together with a Comparison of His Doctrines with Those of Others** Thomas Jefferson, 2014-03 This Is A New Release Of The Original 1902 Edition The Moral Teachings of Jesus Wilhelm HERRMANN (Professor of Theology at Marburg.), 1907 **Jesus Christ and the Christian Character** Francis Greenwood Peabody, 2009-04-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work The Ethics of Jesus Christ Group of Ethics Studies, 2011-06-23 Reflections on the universal principles taught by Jesus for the contemporary world The focus of the ethics of Jesus is the transformation of human beings to conquer the transcendental values of the spirit through the unforgettable lessons of the carpenter of Nazareth A cutting edge view of the teachings of Jesus is proposed The unique character of the Master shows us the best way revealing how current is the ethical presented almost 2000 years ago The 90 subjects arranged in 10 chapters are the fruit of the reflections proposed by GEET Group of ethical studies Punctuated with elucidations of anonymous benefactors and very practical way bring the Gospel in the light of spiritism for a modern world Every page an unforgettable lesson a new point of view always in order to make us reflect understand and grasp the essence of the teachings that Jesus came to bring to the universe **Is the Morality of Jesus Sound?** M. M. Mangasarian, 2022-08-01 In *Is the Morality of Jesus Sound* M M Mangasarian adopts a critical and analytical approach to examine the moral teachings of Jesus within a broader philosophical context This provocative work engages with texts from the New Testament assessing their ethical implications and their applicability in contemporary society Mangasarian's literary style combines rigorous argumentation with a clear and

accessible prose inviting readers to ponder the foundational aspects of Christian morality while situating his inquiry among the growing body of critical theological literature emerging in the late 19th and early 20th centuries M M Mangasarian an Armenian American thinker and a vocal advocate for religious skepticism was profoundly influenced by his background in philosophy and his personal journey away from traditional religious beliefs His critiques of dogmatic religion and efforts to promote rational thought and ethics illuminate the motivations behind this exploration of Jesus s moral teachings As a contemporary voice within the intellectual movement of his time Mangasarian provides a fresh perspective that challenges conventional piety This book is essential reading for anyone interested in theology ethics or the historical Jesus It encourages thoughtful reflection on the validity and relevance of Jesus s moral imperatives in our modern world making it a significant contribution to the discourse on faith and morality *The Ethical Teaching of Jesus* Charles Augustus Briggs,1904

**Jesus' Moral Teaching** Peter G Nelson,2021-01-12 There is a great deal of confusion about Christian morality today While all Christians agree about the rightness or wrongness of some actions they disagree about the morality of others This greatly weakens the Church and its witness to the world In this little book the author re examines Jesus teaching with a view to resolving this problem He begins by outlining Jesus approach to moral questions and then considers what he taught on specific issues namely money and possessions marriage and divorce and sexual morality His aim is to present Jesus teaching as accurately and coherently as possible and to help Christians to know how to live their own lives and to witness more clearly to the world The author is a scientist writer and lay preacher in East Yorkshire His other books include Making Sense of Romans Thankful Books Biblical Light on Contemporary Issues AJBT and God and the Universe AJBT *The Moral Teaching of the New Testament* Rudolf Schnackenburg,1965 **Ethics and the New Testament** J. L. Houlden,2004-05-01 For centuries Christians have referred to the New Testament for guidance on moral conduct But did the writers of the New Testament themselves agree on such questions as divorce political obedience wealth and the toleration of other religions And have their often inconsistent views any relevance today In Ethics and the New Testament the author applies strict critical standards to the Gospels epistles and other writings which he examines in historical perspective His explanation of contemporary attitudes including gnosticism helps to clarify the striking moral differences between Matthew Mark Luke John James and Paul He attempts to discern the ethical standards and teachings of Jesus which are sometimes hidden in the present Biblical texts And finally he relates the moral injunctions of Christianity s central text to the modern age

*Gleanings from the life and teachings of Christ* Henry H. Bourn,1879 *The Life and Morals of Jesus of Nazareth* Thomas Jefferson,2023-07-18 A unique interpretation of the Gospels by one of America s founding fathers Thomas Jefferson This version of the Bible focuses exclusively on the moral teachings of Jesus Christ and omits any references to miracles or supernatural events This book is a fascinating glimpse into the religious beliefs of one of history s most important figures This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we

know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**What Jesus Taught** Osborne J. P. Widtsoe, 2019-12-06 In *What Jesus Taught* Osborne J. P. Widtsoe intricately explores the teachings of Jesus Christ delving into the profound moral and ethical implications of His messages Written in a clear and accessible style this scholarly work contextualizes Jesus's parables and discourses within the socio political landscape of first century Judea Widtsoe employs a blend of historical exegesis and theological inquiry engaging readers with both the spiritual and practical aspects of Jesus's teachings while emphasizing their relevance across ages and cultures His comprehensive analysis serves as a bridge between ancient wisdom and contemporary moral dilemmas making it a vital contribution to religious literature Osborne J. P. Widtsoe an esteemed scholar and member of the Church of Jesus Christ of Latter day Saints was deeply influenced by his faith and commitment to education A prominent voice in early 20th century religious thought Widtsoe's extensive background in agriculture and science informed his approach to spirituality allowing him to marry intellectual rigor with profound sensitivity to religious matters His personal experiences and academic pursuits uniquely positioned him to address the complexities of Christian teachings in an ever changing world I highly recommend *What Jesus Taught* to anyone seeking a deeper understanding of Christian doctrine and its applications in modern life Whether you are a devout believer a scholar of religious studies or simply a curious reader Widtsoe's work offers valuable insights that challenge and inspire This book is essential for understanding Jesus's enduring influence on ethics and humanity

**Christian Moral Life** Ann Nunes, 2012 Christian morality is synonymous with life in Christ We are to love God with our whole being and to love others as Jesus loves us because God created all of us in his image and wants us to love one another as he loves us The Christian moral life is defined by being in loving relationships and by living our lives in response to the teachings of Jesus The collection of readings in *Christian Moral Life A Primary Source Reader* aims to help you learn the moral concepts and teachings that guide us to live our lives as disciples of Christ Within this reader you will find writings from the following sources Saint Th r se of Lisieux Saint Basil the Great Blessed Teresa of Calcutta Saint Thomas More Saint Teresa of vila Richard M Gula SS Blessed John Paul II Saint John Vianney Saint Francis of Assisi Julian of Norwich Saint Patrick Cardinal Joseph Bernardin This text is the perfect complement to courses on morality especially those that correspond to the U S bishops Curriculum Framework course titled *Life in Jesus Christ*
