Moral Voices Moral Selves

Wolfgang Guggemos

Moral Voices Moral Selves:

Moral Voices, Moral Selves Susan J. Hekman, 2013-07-03 This book is an original discussion of key problems in moral theory The author argues that the work of recent feminist theorists in this area particularly that of Carol Gilligan marks a radically new departure in moral thinking Gilligan claims that there is not only one true moral voice but two one masculine one feminine Moral values and concerns associated with a feminine outlook are relational rather than autonomous they depend upon interaction with others In a far reaching examination and critique of Gilligan s theory Hekman seeks to deconstruct the major traditions of moral theory which have been dominant since the Enlightenment She challenges the centrepiece of that tradition the disembodied autonomous subject of modernist philosophy Gilligan s approach transforms moral theory from the study of abstract universal principles to the analysis of moral claims situated in the interactions of people in definite social contexts Hekman argues that Gilligan s approach entails a multiplicity of moral voices not just one or even two This book addresses moral problems in a challenging way and will find a wide readership among philosopher s feminist thinkers and psychologists

Moral Voices, Moral Selves Susan J. Hekman, 1995 In her landmark 1982 study *In a Different Voice* Carol Gilligan argues that there is not only one true moral voice but two one masculine one feminine Moral values and concerns associated with a feminine outlook are relational rather than autonomous they depend upon interaction with others Susan J Hekman argues that the approach to morality suggested by Gilligan s work marks a radically new departure in moral thinking In a far reaching examination and critique of Gilligan s theory Hekman seeks to deconstruct the major traditions of moral theory that have been dominant since the Enlightenment She challenges the centerpiece of that tradition the disembodied autonomous subject of modernist philosophy Hekman argues that the logic of Gilligan s approach entails multiple moral voices not just one or even two and that factors other than gender class race and culture are constitutive of moral voice Using the work of Wittgenstein and Foucault she outlines the parameters of a discursive morality and its implications for feminism and moral theory

Embodied Care Maurice Hamington, 2010-10-01 Until now ethicists have said little about the body limiting their comments on it to remarks made in passing or at best devoting a chapter to the subject *Embodied Care* is the first work to argue for the body s centrality to care ethics doing so by analyzing our corporeality at the phenomenological level It develops the idea that our bodies are central to our morality paying particular attention to the ways we come to care for one another Hamington s argues that human bodies are built to care as a result embodiment must be recognized as a central factor in moral consideration He takes the reader on an exciting journey from modern care ethics to Merleau Ponty s philosophy of the body and then to Jane Addams s social activism and philosophy The ideas in *Embodied Care* do not lead to yet another competing theory of morality rather they progress through theory and case studies to suggest that no theory of morality can be complete without a full consideration of the body **A**

Transformatory Ethic of Inclusion Jayne Clapton, 2009-01-01 Inclusion is a topical notion which underpins contemporary

human service practices and policies within Western Judeo Christian societies Inclusion is most often considered within socio historical and socio political contexts whereby technical and legislative responses are sought However this book explores the question How ethically defensible is the notion of inclusion in relation to people with intellectual disability The book contends that inclusion is a multifaceted complex concept in a dualistic and dichotomous relationship with exclusion It is argued that historical and contemporary conceptualisations of exclusion for people with intellectual disability have been constructed from various philosophical and theological matrices imbued with particular values about personhood Furthermore it is proposed that the ethical significance of inclusion and exclusion in the context of intellectual disability is defined and perpetuated by expressions of a particular socio symbolic order underpinned by patriarchy and kyriarchy and subjected to two controlling ethics an Ethic of Normalcy and an Ethic of Anomaly Inclusion and exclusion are conceived as phenomena relating to how membership is defined legitimated or repelled by concealed occluding boundaries acting within a patriarchal socio ethical fabric The book argues that Ethical Inclusion is only possible through the rupture of these boundaries by a conceptual tool A Transformatory Ethic of Inclusion This conceptual instrument of rupture embraces the scholarship of feminist ethics and feminist theology Such a rupture requires examining the ways traditional ethical frameworks themselves have conceptually diminished and devalued the authenticity of people with intellectual disability A concept of integrality becomes imaginable Conceptual analysis is framed using a crafting metaphor of a patchwork quilt which is infused with narrative and by which such an ethical exploration is undertaken and impaired traditional ethical theorising is confronted and transformed

Character Education Wouter Sanderse, 2012 Many teachers want to contribute to children's moral development but this desire has not always resulted in a profound grasp of what moral education really means why it would be desirable and how it can best be achieved This book confronts these questions by examining what Aristotelian virtue ethics can illuminate about moral education At the same time it evaluates whether Aristotelian theory can still be useful for contemporary educational practice The argument culminates in a morally justified and psychologically realistic account of how virtue can best be taught in schools The approach called character education sees moral education not as enforcing rules or transferring values in separate subjects Instead it encourages teachers to be a morally exemplary teacher which is revealed through all kinds of small decisions and emotional reactions This philosophical essay takes a constructive but critical stance towards empirical research about the effectiveness of teaching methods and the realism of character traits

Feminist Interpretations of Ludwig Wittgenstein Naomi Scheman, Peg O'Connor, 2002-08-15 The original essays in this volume while written from diverse perspectives share the common aim of building a constructive dialogue between two currents in philosophy that seem not readily allied Wittgenstein who urges us to bring our words back home to their ordinary uses recognizing that it is our agreements in judgments and forms of life that ground intelligibility and feminist theory whose task is to articulate a radical critique of what we say to disrupt precisely those taken for granted agreements in judgments and forms of life Wittgenstein

and feminist theorists are alike however in being unwilling or unable to make sense in the terms of the traditions from which they come needing to rely on other means including telling stories about everyday life to change our ideas of what sense is and of what it is to make it For both appeal to grounding is problematic but the presumed groundedness of particular judgments remains an unavoidable feature of discourse and as such in need of understanding For feminist theory Wittgenstein suggests responses to the immobilizing tugs between modernist modes of theorizing and postmodern challenges to them For Wittgenstein feminist theory suggests responses to those who would turn him into the normal philosopher he dreaded becoming one who offers perhaps unorthodox solutions to recognizable philosophical problems In addition to an introductory essay by Naomi Scheman the volume s twenty chapters are grouped in sections titled The Subject of Philosophy and the Philosophical Subject Wittgensteinian Feminist Philosophy Contrasting Visions Drawing Boundaries Categories and Kinds Being Human Agents and Subjects and Feminism s Allies New Players New Games These essays give us ways of understanding Wittgenstein and feminist theory that make the alliance a mutually fruitful one even as they bring to their readings of Wittgenstein an explicitly historical and political perspective that is at best implicit in his work The recent salutary turn in analytic philosophy toward taking history seriously has shown how the apparently timeless problems of supposedly generic subjects arose out of historically specific circumstances These essays shed light on the task of feminist theorists along with postcolonial queer and critical race theorists to in Wittgenstein s words rotate the axis of our examination around whatever real need s might emerge through the struggles of modernity s Others Contributors besides the editors are Nancy E Baker Nalini Bhushan Jane Braaten Judith Bradford Sandra W Churchill Daniel Cohen Tim Craker Alice Crary Susan Hekman Cressida J Heyes Sarah Lucia Hoagland Christine M Koggel Bruce Krajewski Wendy Lynne Lee Hilda Lindemann Nelson Deborah Orr Rupert Read Phyllis Rooney and Janet Farrell Smith

Nature Ethics Marti Kheel, 2008 In *Nature Ethics An Ecofeminist Perspective* Marti Kheel explores the underlying worldview of nature ethics offering an alternative ecofeminist approach Seeking to heal the divisions between the seemingly disparate movements and philosophies of feminism animal advocacy environmental ethics and holistic health Kheel proposes an ecofeminist philosophy that underscores the importance of empathy and care for individual beings as well as larger wholes

Globalizing Care Fiona Robinson, 2018-10-08 This book broadens the scope of thinking about ethics in global social relations criticizing the leading traditions in international ethics and exploring the ways in which some strands of feminist moral philosophy may offer an alternative perspective to view ethics in international relations

Парадигмы Философствования, 1995

The Ethics of Peacebuilding Timothy Murithi, 2009 Outlines the need for effective and sustainable peacebuilding in order to restore the conditions for co existence in fractured communities around the world

Documentation Sur la Recherche Féministe, 1998

Gender and Prisons Dana M. Britton, 2005 *Gender and Prisons* includes twenty two key articles exploring prison history the state and gendered social control gender and work in prisons and the gendered experience of

incarceration **HJEAS** ,2006 Kogjourn ,2010-10 Gender Identity and Social Consciousness in the Works of Corra White Harris Catherine Badura,1996 *Women Review Philosophy* Morwenna Griffiths,Margaret Whitford,1996 Choice ,1996 **Student Development in College** Nancy J. Evans,Deanna S. Forney,Florence Guido-DiBrito,1998-05-08 This sweeping resource gathers together in one volume the diverse body of theory informing our understanding of students intellectual cognitive social moral and identity development during the college years It critically examines the recent body of theory that reflects the changes complexity and diversity of today s campuses with special emphasis on gender and cultural differences in student development **Proceedings and Addresses of the American Philosophical Association** American Philosophical Association,1996 List of members in v 1 **Environment and Planning** ,2008

Moral Voices Moral Selves Introduction

In the digital age, access to information has become easier than ever before. The ability to download Moral Voices Moral Selves has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Moral Voices Moral Selves has opened up a world of possibilities. Downloading Moral Voices Moral Selves provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Moral Voices Moral Selves has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Moral Voices Moral Selves. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Moral Voices Moral Selves. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Moral Voices Moral Selves, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Moral Voices Moral Selves has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

FAQs About Moral Voices Moral Selves Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Moral Voices Moral Selves is one of the best book in our library for free trial. We provide copy of Moral Voices Moral Selves in digital format, so the resources that you find are reliable.
