Morality Of War Classical And Contemporary Readings:

The Morality of War Larry May, Eric Rovine, Steve Viner, 2006 The first major anthology to survey the field of moral and ethical issues concerning war and peace this text traces debates from Cicero and Augustine to Kosovo and Iraq today Issues of self defense preemptive war torture pacifism terrorism and many more are central to the readings in this book *The Ethics of War* Gregory M. Reichberg, Henrik Syse, Endre Begby, 2006-07-05 The Ethics of War is an indispensable collection of essays addressing issues both timely and age old about the nature and ethics of war Features essays by great thinkers from ancient times through to the present day among them Plato Augustine Aquinas Machiavelli Grotius Kant Russell and Walzer Examines timely questions such as When is recourse to arms morally justifiable What moral constraints should apply to military conduct How can a lasting peace be achieved Will appeal to a broad range of readers interested in morality and ethics in war time Includes informative introductions and helpful marginal notes by editors *The Ethics of War* Gregory M. Reichberg, Henrik Syse, Endre Begby, 2006-07-05 The Ethics of War is an indispensable collection of essays addressing issues both timely and age old about the nature and ethics of war Features essays by great thinkers from ancient times through to the present day among them Plato Augustine Aquinas Machiavelli Grotius Kant Russell and Walzer Examines timely questions such as When is recourse to arms morally justifiable What moral constraints should apply to military conduct How can a lasting peace be achieved Will appeal to a broad range of readers interested in morality and ethics in war time Includes informative introductions and helpful marginal notes by editors *Ethics and War* Steven P. Lee, 2012 An account of war ethics sensitive to the historical just war theory informed by the contemporary concerns of war **Routledge Handbook of Ethics and War** Fritz Allhoff, Nicholas G. Evans, Adam Henschke, 2013-06-26 This new Handbook offers a comprehensive overview of contemporary extensions and alternatives to the just war tradition in the field of the ethics of war The modern history of just war has typically assumed the primacy of four particular elements *jus ad bellum* *jus in bello* the state actor and the soldier This book will put these four elements under close scrutiny and will explore how they fare given the following challenges What role do the traditional elements of *jus ad bellum* and *jus in bello* and the constituent principles that follow from this distinction play in modern warfare Do they adequately account for a normative theory of war What is the role of the state in warfare Is it or should it be the primary actor in just war theory Can a just war be understood simply as a response to territorial aggression between state actors or should other actions be accommodated under legitimate recourse to armed conflict Is the idea of combatant *qua* state employed soldier a valid ethical characterization of actors in modern warfare What role does the technological backdrop of modern warfare play in understanding and realizing just war theories Over the course of three key sections the contributors examine these challenges to the just war tradition in a way that invigorates existing discussions and generates new debate on topical and prospective issues in just war theory This book will be of great interest to students of just war theory war and ethics peace and conflict studies philosophy and security studies

Modernity, the Environment, and the Christian Just War Tradition Mark Douglas, 2022-05-26 In this volume Mark Douglas presents an environmental history of the Christian just war tradition. Focusing on the transition from its late medieval into its early modern form he explores the role the tradition has played in conditioning modernity and generating modernity's blindness to interactions between the natural and the political. Douglas criticizes problematic myths that have driven conventional narratives about the history of the tradition and suggests a revised approach that better accounts for the evolution of that tradition through time. Along the way he provides new interpretations of works by Francisco de Vitoria and Hugo Grotius and provocatively the Constitution of the United States of America. Sitting at the intersection of just war thinking, environmental history and theological ethics, Douglas's book serves as a timely guide for responses to wars in a warming world as they increasingly revolve around the flashpoints of religion, resources and refugees.

Military Ethics Igor Primoratz, 2017-05-15 Recent developments such as the new wars or the growing privatisation of warfare and the ever more sophisticated military technology present the military with difficult ethical challenges. This book offers a selection of the best scholarly articles on military ethics published in recent decades. It gives a hearing to all the main ethical approaches to war: just war theory, consequentialism and pacifism. Part I includes essays on justice of war, *jus ad bellum*, focussing on defence against aggression and humanitarian armed intervention but also addressing topics such as conscientious objection and the relation of patriotism to war. Articles in Part II deal with the central problems of justice in war, *jus in bello*: civilian immunity and collateral damage to civilian life and property. Essays in Part III look into the moral issues facing the military as a profession such as the civil-military relations, the responsibilities of officers to their soldiers and to their military superiors and the status and responsibilities of prisoners of war.

The Oxford Handbook of Ethics of War Seth Lazar, Helen Frowe, 2018 Recent years have seen a resurgence of interest among both philosophers, legal scholars and military experts on the ethics of war. Due in part to post 9/11 events this resurgence is also due to a growing theoretical sophistication among scholars in this area. Recently there has been very influential work published on the justification of killing in self defense and war and the topic of the ethics of war is now more important than ever as a discrete field. The 28 commissioned chapters in this Handbook will present a comprehensive overview of the field as well as make significant and novel contributions and collectively they will set the terms of the debate for the next decade. Lazar and Frowe will invite the leading scholars in the field to write on topics that are new to them making the volume a compilation of fresh ideas rather than a rehash of earlier work. The volume will be divided into five sections: Method, History, Resort, Conduct and Aftermath. The contributors will be a mix of junior and senior figures and will include well known scholars like Michael Walzer, Jeff McMahan and David Rodin.

New Interventionist Just War Theory Jordy Rocheleau, 2021-11-22 This book offers a systematic critique of recent interventionist just war theories which have made the recourse to force easier to justify. The work argues that these theories including neo traditionalist prerogatives to national leaders and a cosmopolitan human rights paradigm

offer criteria for war that are insufficient in principle and dangerous in practice Drawing on a plurality of moral considerations the book recommends a modified legalist national defense paradigm which includes an atrocity threshold for humanitarian intervention and a legitimate authorization requirement The plausibility of this restrictive framework is applied to case studies including the long wars in Iraq and Afghanistan ongoing targeted killing and possible interventions in Syria and elsewhere Various arguments which seek to loosen the criteria for war are also systematically analyzed and criticized This book will be of much interest to students of just war theory military history ethics political philosophy and international relations

The Rise of US Military Legalism Doyle K. Hodges, 2025-11-25 This book introduces and explains the concept of military legalism and analyzes its importance for US military decision making The book documents a change over the past 50 years in the way in which US military officers make decisions about using force which it calls military legalism Rather than relying solely on professional military judgment and professional military ethics officers are increasingly using legal norms and reasoning to justify their choices This book explores how widespread this practice has become explains why it has emerged and examines some of its implications Using historical cases from World War II through the opening days of Operation Iraqi Freedom the book traces changes in the way in which civilian policymakers have governed US military decisions about the use of force and how the military has responded to these changes While military legalism is normatively neither good nor bad legalistic reasoning has been used to justify morally deficient policies and a reliance on legal reasoning may have unanticipated and unexamined effects on the norms of civil military relations This book will be of interest to students of law military studies ethics and International Relations

Proceedings and Addresses of the American Philosophical Association American Philosophical Association, 2005 List of members in v 1 Contemporary Moral Arguments Lewis Vaughn, 2010 Taking a unique approach that emphasizes careful reasoning this reader is structured around 28 key arguments that have provoked heated debates on current ethical issues Publisher description

Classical and Contemporary Readings in the Philosophy of Religion John Hick, 1970 Religion as illusion Ludwig Feuerbach Against proofs in religion Soren Kierkegaard Evil and a finite God John Stuart Mill Mysticism The will to believe William James Religion versus the religious John Dewey Cosmic teleology F R Tennant Revelation and its mode William Temple The existence of God Bertrand Russell F C Copleston The eternal thou Martin Buber Two types of philosophy of religion Existential analyses and religious symbols Paul Tillich On death and the mystical Ludwig Wittgenstein The formally possible doctrines of God Time death and everlasting life Charles Hartshorne Personal survival and the idea of another world H H Price An empiricist's view of the nature of religious belief R B Braithwaite A form of religious naturalism John Herman Randall Gods

Thomas Aquinas on War and Peace Gregory M. Reichberg, 2017 The first book length study of Aquinas's teaching on just war its antecedents and its reception by subsequent thinkers *The Mennonite Quarterly Review*, 2010

Morality and Moral Controversies John Arthur, 2005 This comprehensive anthology includes classic and contemporary

readings in moral theory a wide array of essays that address today's most philosophically interesting and controversial ethical and political issues. Includes an ethical theory overview, shows relevance of traditional and contemporary writers. KEY TOPICS: Features articles on self interest and morality, rule utilitarianism and the conflict between duty and sentiment. Features readings on life and death, terrorism, internment in time of war, distribution of scarce medical resources and the survival lottery. Features essays on democracy, capitalism and its ethos, multiculturalism, identity and reparations. Extensive coverage of violence, terrorism and war as well as relativism and grounds of morality. MARKET: For those involved in social or political ethical decision making.

International Philosophical Quarterly, 1961 The Comprehensive Guide to International Law Marc Cogen, 2008 Cogen international law Ghent U Belgium presents an overview of the history and current status of international law. Chapters discuss the sources of international law, the history of international law, states and territories, the rights and responsibilities of states, the global commons, international organizations, the individual, diplomatic and consular law, the law of treaties and the laws regarding armed activities. The focus of the work is on the straightforward presentation of the principles and rules of international law in these key areas.

Pacifism Robert L. Holmes, 2016-12-15 In a world riven with conflict, violence and war, this book proposes a philosophical defense of pacifism. It argues that there is a moral presumption against war and unless that presumption is defeated, war is unjustified. Leading philosopher of non violence Robert Holmes contends that neither just war theory nor the rationales for recent wars (Vietnam, the Gulf War, the Iraq and Afghanistan Wars) defeat that presumption, hence that war in the modern world is morally unjustified. A detailed, comprehensive and elegantly argued text which guides both students and scholars through the main debates Just War Theory and double effect to name a few, clearly but without oversimplifying the complexities of the issues or historical examples.

The Philosopher's Index, 2008 Vols for 1969 include a section of abstracts.

Morality Of War Classical And Contemporary Readings Introduction

In todays digital age, the availability of Morality Of War Classical And Contemporary Readings books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Morality Of War Classical And Contemporary Readings books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Morality Of War Classical And Contemporary Readings books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Morality Of War Classical And Contemporary Readings versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Morality Of War Classical And Contemporary Readings books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Morality Of War Classical And Contemporary Readings books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Morality Of War Classical And Contemporary Readings books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Morality Of War Classical And Contemporary Readings books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Morality Of War Classical And Contemporary Readings books and manuals for download and embark on your journey of knowledge?

FAQs About Morality Of War Classical And Contemporary Readings Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Morality Of War Classical And Contemporary Readings is one of the best books in our library for free trial. We provide a copy of Morality Of War Classical And Contemporary Readings in digital format, so the resources that you find are reliable. There are also many eBooks of related topics with Morality Of War Classical And Contemporary Readings. Where to download Morality Of War Classical And Contemporary Readings online for free? Are you looking for Morality Of War Classical And Contemporary Readings PDF? This is definitely going to save you time and cash in something you should think about.
