More Bible Bad Guys...& Gals Bob Hartman, 2001 Retellings of stories from the Bible featuring such villains scoundrels and sinners as Goliath Judas Ahab and Jezebel *The Violence of Scripture* Eric A. Seibert, 2012 No one can read far in the Old Testament without encountering numerous acts of violence that are sanctioned in the text and attributed to both God and humans Over the years these texts have been used to justify all sorts of violence from colonizing people and justifying warfare to sanctioning violence against women and children Eric Seibert confronts the problem of virtuous violence and urges people to engage in an ethically responsible reading of these troublesome texts He offers a variety of reading strategies designed to critique textually sanctioned violence while still finding ways to use even the most difficult texts constructively thus providing a desperately needed approach to the violence of Scripture that can help us live more peaceably in a world plagued by religious violence from publisher description Lectures Preaching Sermon Construction Paul B.
