More Children's Sermons To Go Deborah Raney, Vicky Miller, 2001 *More Children's Sermons to Go 52 Take Home Lessons About God* offers a year's worth of children's sermons that feature small inexpensive gifts or trinkets that help children better understand and remember the lesson of the sermon. Each of the sermon lessons in *More Children's Sermons to Go* includes a Materials section, a selected Scripture text, and a take home memento of the sermon lesson. These mementos are quick inexpensive ideas that require 30 minutes or less of preparation time. **More Children's Sermons** Bucky Dann, 1993-01-01 Many pastors believe that children are not capable of understanding topics such as sexuality, death, self-esteem, and dealing with evil, to name a few. Dann offers a wide-ranging resource for those who preach to children and presents a strong basis for covering a variety of topics, each with a suggested theme, object lesson, and dialogue to help children understand and grow in faith. *More Children's Sermons To Go* Deborah Raney, 2010-10-01 *More Children's Sermons to Go 52 Take Home Lessons About God* offers a year's worth of children's sermons that feature small inexpensive gifts or trinkets that help children better understand and remember the lesson of the sermon. Each of the sermon lessons in *More Children's Sermons to Go* includes a Materials section, a selected Scripture text, and a take home memento of the sermon lesson. These mementos are quick inexpensive ideas that require 30 minutes or less of preparation time.

Ping-Pong Words Marti Kramer Suddarth, 2007 The lessons in this volume are geared toward the typical age range of the children's time audience in Sunday worship: toddlerhood to age 13, making it a valuable resource for anyone who presents children's sermons or devotionals. Each of the 31 lessons is scripture-based and runs 3-5 minutes in length, and many include demonstrations using simple visual aids such as ping pong balls, family pictures, a flashlight, and clothespins to illustrate common precepts in ways that clearly communicate God's Word to young ears, eyes, and hearts. The lessons are flexible and can be incorporated into a variety of churches and ecumenical settings. Appropriate for Sunday school, worship services, religious schools, and day care programs, Bible clubs, and anywhere else where young people gather to learn about God, this volume is certain to earn a trusted place on the bookshelf. **Quick Children's Sermons 4** Group Publishing, 2002-12 Kids love to ask big questions like "What makes Jesus laugh?" and "Who made God?" Now you'll be prepared to answer these and 48 more questions kids ask about God, the Bible, Jesus, and more. Each message answers a key question kids are asking while teaching them a valuable Bible story. Easy to prepare, these short messages feature fun discussions and activities to involve kids. Sure to help truth go deeper into children's hearts, the Scripture index and handy theme index make it easy to find the perfect children's sermon for your next Sunday school class, kid's church lesson, or intergenerational service. Book jacket.

Children's Sermons A to Z Brett Blair, 2000-07 Anyone who has done children's sermons will sooner or later hear from someone that "I learn more from the children's sermon than I do from the real sermon." And indeed, the truths of scripture are so simple that even a child can understand them. So it's no accident that children's sermons have become a central part of the

worship service in many churches Brett Blair and Tim Carpenter offer a year's worth of object lessons that engage children and impart profound lessons for all ages Two sermons are provided for each Sunday in Cycle C of the Revised Common Lectionary one based on the Second Lesson and one based on the Gospel The messages are structured in two parts the lesson uses an object to draw out active responses from children then the application connects that object to the assigned scripture reading Each message includes a clear statement of its exegetical aim Bright innovative perceptive creative grace filled Brett Blair and Tim Carpenter are all of those and much much more and that is reflected beautifully in their new book *Children's Sermons A To Z* James W Moore Pastor St Luke's United Methodist Church Houston Texas Brett Blair is associate pastor of Asbury United Methodist Church in Memphis Tennessee He holds the M Div degree from Yale University Divinity School and is a cum laude graduate of Oral Roberts University with B A and M A degrees in New Testament Literature Tim Carpenter is the pastor at First United Methodist Church in Bolivar Tennessee He is a graduate of Memphis Theological Seminary M Div and the University of Florida B A in political science

The Answer Is Always Jesus Aram Haroutunian, 2013-01-22 This book contains seventy four of Aram Haroutunian's most memorable children's sermons of the more than 500 he presented at a large church in Golden Colorado Many of the sermons are unforgettable due to the children's responses Pastors homeschoolers parents who often lead family devotions or other storytellers will find these stories along with comments about props and how to prepare and present them to be an invaluable asset in reconnecting with the simplest most profound truths of Scripture and then to envision how best to communicate these so even a child can understand them About the book From the Author New Covenant approach to life will be descriptive of Jesus rather than prescriptive It is to embrace the incredible mystery and paradox of the Gospel For whoever desires to save his life will lose it but whoever loses his life for My sake will save it Luke 9:24 Ironically children are more able to grasp these concepts than are we adults And

yet I have observed that of all places where the spirit of the New Covenant is violated most frequently it is in children's curricula and children's sermons. Do good things to others and good things will happen to you. Live in a godly way and things will turn out great for you. We set our children up for disappointment by instilling in them albeit unintentionally a belief in a push button God. And we're as surprised as they are when their alleged faith crashes upon the rocks of harsh reality once they leave home. We think we need to explain to them every mystery and paradox of God that this will adequately equip their minds. But all the while just like us they're longing to be captivated in their hearts by something bigger. They want to encounter Someone who can't be reduced to a set of principles. Someone who promises to fulfill their young hearts' desire for adventure and wonder.

Packed with 50 child-tested ready-to-use messages, this book provides field-tested advice on avoiding pitfalls and using new ideas for children's sermons.

New Story Talks to Boys and Girls Howard James Chidley, 1929 *Sermons Preached in the Chapel of Keble College, Oxford, 1877-1888* Edward Stuart Talbot (Bp. of Winchester), 1889 5-minute Messages and More Donald Hinchey, 1998-12 **MORE!
