*Love the Questions* Catherine Fraser,2018 Cathy Fraser believes that school research projects should be less of a chore and more like police investigations. In *Love the Questions*, she describes ways to engage middle and secondary students from the outset, fanning the flames of their curiosity and passion. Accessible and story-filled, this book provides strategies to capture the excitement of genuine inquiry in your classroom. Learn how to do the following: Honor students' passions, interests and specific questions; Embrace inquiry, curiosity and exploration; Teach students to frame relevant questions throughout the research process; Develop authentic projects that include surveys, experiments and interviews; Work with school librarians as educational partners for teachers and students; Assess skills, not memorization. Cathy offers minilessons, practice activities, graphic organizers and examples of student work to help you turn research projects into creative, exciting investigations for your students. **Familiar instructions and evening lectures on all the truths of religion.
