**Forever More** Steven Meyer,2017-06-02 Romania stays vacant and the people stay far away from the predator of the night Lucian stays in his castle in slumber by day and attacks by night He finds himself craving for blood but what he finds is beyond a surprise Young Erin mistakenly flees out as the night grows darker Yet the presence stays colder What this vampire is wanting is something he cant take away But a love blossoms from out of the shadows and the attraction is more than a simple feeding In this poetic romance you see prey meet the predator With action enticing the chapters and twisting chilling details this is Forever More And love casts all fear aside in Forever No Less It is about a mothers instinct and a childs cry Erin is alone and her lover is nowhere to be found Doubt catches her off guard And the search for truth causes her fears to become a cycle of ruin Time remains unfazed and changes us in the most fascinating ways The journey is more than what the eye can see What is is not reality And what was comes knocking The door for hope is one to be yet opened when words remain unspoken Erin finds a family curse and a path to the other side She carries on and walks to the light Lucian is searching for his lost child Fate shows the destination And hope is not compensated Forever and always time shows to be an advantage of surprising demands What is to be of the land of Eden Will all be free Here beauty is but a figment of imagery It is a kingdom of royal decrees and fate becomes a mockery An enemy changes the heart of one hero But good has plans to overcome all evil and to forgive all against them Love triumphs and hate breeds What youre expecting is not a clichd ending but a story of the ages Words bounce for off these pages And faith has unsatisfying wages Death is a foe and cannot prevail
